

# AK-47 AKT ULTIMATE WITH LIGHTNING BOW TRIGGER - ALG DEFENSE AKT-UL ULTIMATE WITH LIGHTNING BOW TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The ALG AK Trigger Enhanced is a single stage trigger for the AK47 and AK74 variant platform. The AKT-E is machined from S7 tool steel. The Enhanced model has a pull that is even lighter and has a much crisper break than the ALG AKT Trigger which is ideal for precision and target shooting. The Enhanced trigger itself is hard lubed, which creates a permanent self-lubricating surface which will enhance the smoothness of the triggers pull, and the hammer is Black Nitride processed for maximum abrasion and corrosion resistance.

## Attributes

- Name: [ALG DEFENSE AKT-UL ULTIMATE WITH LIGHTNING BOW TRIGGER](#)
- Manufacturer: [ALG DEFENSE](#)
- Product no.: 100017371
- Mfr. No.: 05-327

# Safety Instruction Guide for ALG AK Trigger Enhanced

## Introduction

Thank you for choosing the ALG AK Trigger Enhanced. This guide provides essential safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Store the trigger and related components in a secure location, away from children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- Only use the trigger with compatible AK47 and AK74 semiautomatic rifles.
- Keep the trigger clean and properly lubricated to maintain optimal performance.
- Be aware of your surroundings and ensure the shooting area is safe before use.
- In the event of a malfunction, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Ensure the safety mechanism is engaged when not in use.
- Use appropriate eye and ear protection while shooting.
- Do not modify the trigger or any components without consulting a qualified professional.
- Be mindful of the trigger pull weight; practice safe handling to avoid accidental discharges.
- Keep fingers off the trigger until ready to shoot.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and safe to work on.
2. **Disassembly:** Carefully disassemble the AK47 or AK74 according to the manufacturer's guidelines.
3. **Remove Old Trigger:** Remove the existing trigger assembly from the firearm.
4. **Install New Trigger:**
  - Insert the ALG AK Trigger Enhanced into the trigger housing.
  - Ensure proper alignment with the trigger pin holes.
  - Secure the trigger with the appropriate pins.
5. **Reassemble Firearm:** Follow the manufacturer's instructions to reassemble the firearm.
6. **Function Check:** Before use, conduct a function check to ensure the trigger operates smoothly and safely.

### Usage

- Familiarize yourself with the trigger's operation before using it in a live environment.
- Always follow safe shooting practices, including proper stance and aim.
- Maintain control of the firearm at all times during use.

## Disposal Instructions

- Dispose of the trigger and any components in accordance with local regulations.

- Do not dispose of in regular household waste. Contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging. It is important to reach out to an EUbased contact for safetyrelated concerns.

## **Conclusion**

Following these safety guidelines will help ensure a safe and enjoyable experience with your ALG AK Trigger Enhanced. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
