

TRIGGER CONNECTOR FOR GLOCK® 42/43/43X/48 - GHOST G42/43/43X/48 DROP-IN TRIGGER CONNECTOR

[Handgun Parts](#) > [Trigger Group Parts](#) > [Connector Parts](#)

Smooths, Lightens & Improves Trigger Feel

Just because you carry a compact pistol doesn't mean you have to accept a stiff, rough trigger pull. These replacements for your Glock 42/43/43x/48 factory trigger connector improve the entire trigger pull by shortening the overall pull, eliminating over-travel, and providing a faster reset. Reduces trigger pull weight by an average of 2.5 lbs. Also removes the notorious "Glock bump" caused by the trigger bar hitting the connector, which makes the shooter apply extra force to get over the bump, typically moving the pistol off target. Edge is a drop-in replacement for factory part.

TRIGGER CONNECTOR FOR GLOCK® 42/43/43X/48 GHOST G42/43/43X/48 DROPIN TRIGGER CONNECTOR Safety Instructions

Introduction

Thank you for choosing the TRIGGER CONNECTOR FOR GLOCK® 42/43/43X/48 GHOST G42/43/43X/48 DROPIN TRIGGER CONNECTOR. This product is designed to enhance your shooting experience by improving the trigger pull of your Glock pistol. However, it is essential to use this product safely and responsibly. This guide provides important safety instructions and information to ensure the safe use of the trigger connector.

General Safety Guidelines

- Ensure safe use of all nonfood products, including this trigger connector.
- Be aware of potential risks associated with modifications to firearms.
- Always follow the manufacturer's instructions for use and installation.
- Keep this product and all firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for product recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Do not modify the trigger connector beyond the manufacturer's specifications.
- If you experience any issues with the trigger connector, stop using it immediately and seek professional assistance.
- Be aware that modifications to your firearm may affect its warranty.

Instructions for Installation and Usage

Installation

1. Ensure your Glock pistol is unloaded.
2. Disassemble your pistol according to the manufacturer's instructions.
3. Remove the factory trigger connector from the trigger mechanism.
4. Carefully install the GHOST trigger connector by following these steps:
 - Align the new connector with the trigger bar.
 - Ensure it is seated properly within the trigger mechanism.
5. Reassemble your pistol, ensuring all parts are correctly fitted.

Usage

- After installation, test the trigger pull in a safe environment.
- Familiarize yourself with the new trigger feel before using it in any livefire situation.
- Practice safe firearm handling at all times.

Disposal Instructions

- Dispose of any old or unused trigger connectors in accordance with local regulations.
- Do not dispose of any firearm parts in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact information available on their website or product packaging.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TRIGGER CONNECTOR FOR GLOCK® 42/43/43X/48 GHOST G42/43/43X/48 DROPIN TRIGGER CONNECTOR. Always prioritize safety and responsible firearm handling.
