

# AR-15 MODULAR STOCK ASSY FIXED RIFLE LENGTH - LUTH-AR

## AR-15 MODULAR STOCK ASSY FIXED RIFLE LENGTH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

### Stocks Add Adjustment & Extra Features To Rifles

Glass-filled nylon rifle stocks fit onto standard A1/A2 buffer tubes and add adjustments and extra features to AR-15 rifles, including most .308 models. Stocks feature textured rubber recoil pads and 2 QD sling sockets for fast sling mounting and dismounting. Modular Stock gives an adjustable cheek rest, and adjustable length of pull. Weighs less compared to other adjustable stocks. Skeleton Stock has futuristic appearance, and helps reduce weight. Will not fit on carbine buffer tubes. Includes Allen wrench for mounting. Sold Separately: Uncle Mike's QD Sockets can be epoxied into socket on the side of each stock, use part# 593-000-038.

# Safety Instructions for AR15 Modular Stock Assembly Fixed Rifle Length

## Introduction

Thank you for choosing the AR15 Modular Stock Assembly Fixed Rifle Length. This product is designed to enhance your AR15 rifle with added adjustments and features. To ensure your safety and the safety of others, please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms responsibly and follow all local laws and regulations.
- Keep this product out of reach of children and unauthorized users.
- Inspect the product for any damage or defects before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the stock on carbine buffer tubes; it is designed for standard A1/A2 buffer tubes only.
- Ensure that the stock is securely mounted before using your rifle.
- Use caution when adjusting the cheek rest and length of pull; make adjustments slowly to avoid injury.
- Always wear appropriate safety gear when using firearms, including eye protection and hearing protection.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools, including the provided Allen wrench.
- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the buffer tube.
- Align the Modular Stock with the buffer tube and slide it into place.
- Secure the stock using the Allen wrench provided, ensuring it is tightly fastened.
- If desired, epoxy Uncle Mike's QD Sockets into the socket on the side of the stock using part# 593000038 for additional sling mounting options.

### 2. Usage:

- Adjust the cheek rest by loosening the adjustment knob, positioning it to your comfort level, and tightening it securely.
- Adjust the length of pull by loosening the adjustment knob, extending or retracting the stock to the desired length, and tightening it securely.
- Before firing, doublecheck that all adjustments are secure and that the stock is properly mounted.

## Disposal Instructions

- Dispose of this product in accordance with local regulations for plastic and composite materials.
- Do not dispose of in household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your AR15 Modular Stock Assembly Fixed Rifle Length responsibly!
