

# AR-15/M4 MOE-SL MID-LENGTH HANDGUARDS - MAGPUL MOE-SL HANDGUARD M-LOK MID-LENGTH FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The MOE SL Hand Guard for AR-15/M4 firearms with mid-length gas system and A2 front sight\* provides modular flexibility with M-LOK™ accessory slots in a lightweight, sleek, cost effective design. Designed with versatility in mind, M-LOK slots at the two, six, and ten o'clock positions allow the attachment of optional Picatinny rail sections and other accessories for mounting tactical lights, slings, grips, etc. Reinforced, heat-resistant polymer construction provides durability without the weight and expense of an aluminum rail hand guard. A large front extension and lower lip protects the user from the hot front sight gas block assembly and maximizes useable hand guard length.

**FEATURES**

- Narrow design replaces factory 2-piece, mid-length plastic hand guards
- Easy to install utilizing existing delta ring and ROUND front hand guard retaining cap with A2 front sight assembly\*
- Slots at the two, six, and ten o'clock positions for mounting direct-attach M-LOK accessories or M-LOK 1913 Picatinny rail sections
- Reinforced, heat-resistant polymer construction
- Integral riveted aluminum heat shield
- Front lip and long side extensions shields hand from hot sight assembly

# Safety Instruction Guide for AR15/M4 MOESL MidLength Handguards

## Introduction

Thank you for choosing the AR15/M4 MOESL MidLength Handguards by Magpul. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this document carefully to understand how to use, install, and dispose of your handguards safely.

## General Safety Guidelines

- Ensure that the handguards are compatible with your firearm model before installation.
- Always handle firearms with care and follow standard safety practices.
- Keep the handguards and all related accessories out of reach of children and vulnerable individuals.
- Regularly inspect the handguards for any signs of wear or damage before use.
- Use only recommended accessories and attachments with the MLOK slots to avoid accidents.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- **Avoid Heat Exposure:** The handguards are designed to protect against heat from the front sight gas block assembly; however, always be cautious of the heat generated during firearm operation.
- **Proper Installation:** Follow the installation instructions closely to ensure that the handguards are securely attached to avoid any accidents during use.
- **Use Protective Gear:** When operating the firearm, consider wearing appropriate protective gear, such as gloves and eye protection.
- **Limit Modifications:** Do not modify the handguards or use noncompatible parts, as this may compromise safety and functionality.
- **Follow Local Laws:** Ensure that your use of the handguards complies with local laws and regulations regarding firearm accessories.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather necessary tools (if applicable) for installation.

#### 2. Remove Existing Handguards:

- Use the delta ring and ROUND front hand guard retaining cap to remove the factoryinstalled handguards.

#### 3. Install the MOESL Handguards:

- Align the new handguards with the mounting points on your firearm.
- Press the handguards into place until they lock securely.
- Ensure that the handguards are firmly attached and do not move.

#### 4. Attach Accessories:

- Utilize the MLOK slots at the two, six, and ten o'clock positions for attaching accessories.
- Follow the manufacturer's instructions for any accessories being attached.

## **Usage Instructions**

- Always ensure the firearm is in a safe condition before handling.
- Familiarize yourself with the placement of MLOK slots for accessory attachment.
- Regularly check the tightness of attachments and the condition of the handguards during use.

## **Disposal Instructions**

- Dispose of the handguards in accordance with local regulations regarding plastic waste.
- Do not incinerate the handguards as they are made from heatresistant polymer that may release harmful substances when burned.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the AR15/M4 MOESL Handguards, please reach out to the designated support channels provided by the manufacturer.

By following these guidelines, you can ensure a safe and effective experience with your AR15/M4 MOESL MidLength Handguards. Thank you for prioritizing safety in your firearm use and maintenance.
