

AR-15/M4 MOE-SL MID-LENGTH HANDGUARDS - MAGPUL MOE-SL HANDGUARD M-LOK MID-LENGTH FOR AR-15 GRAY

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The MOE SL Hand Guard for AR-15/M4 firearms with mid-length gas system and A2 front sight* provides modular flexibility with M-LOK™ accessory slots in a lightweight, sleek, cost effective design. Designed with versatility in mind, M-LOK slots at the two, six, and ten o'clock positions allow the attachment of optional Picatinny rail sections and other accessories for mounting tactical lights, slings, grips, etc. Reinforced, heat-resistant polymer construction provides durability without the weight and expense of an aluminum rail hand guard. A large front extension and lower lip protects the user from the hot front sight gas block assembly and maximizes useable hand guard length.

FEATURES

- Narrow design replaces factory 2-piece, mid-length plastic hand guards
- Easy to install utilizing existing delta ring and ROUND front hand guard retaining cap with A2 front sight assembly*
- Slots at the two, six, and ten o'clock positions for mounting direct-attach M-LOK accessories or M-LOK 1913 Picatinny rail sections
- Reinforced, heat-resistant polymer construction
- Integral riveted aluminum heat shield
- Front lip and long side extensions shields hand from hot sight assembly

Safety Instruction Guide for AR15/M4 MOESL MidLength Handguards

Introduction

Thank you for choosing the AR15/M4 MOESL MidLength Handguards by Magpul. This guide provides important safety information and instructions for the proper use and installation of your handguard. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the handguard is compatible with your AR15/M4 firearm before installation.
- Always handle firearms with care and follow all safety protocols.
- Inspect the handguard regularly for any signs of wear or damage.
- Use only MLOK compatible accessories as specified in the product guidelines.
- Keep all firearms and accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the handguard if it shows signs of damage or if the installation is not secure.
- Avoid touching the front sight gas block assembly as it may become hot during use.
- Ensure that all accessories are firmly attached to prevent them from detaching during use.
- Do not exceed the weight limit of the handguard when attaching accessories.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Handguards:** Utilize the existing delta ring and ROUND front hand guard retaining cap with A2 front sight assembly to remove the factory handguards.
3. **Position the MOESL Handguard:** Align the handguard with the barrel and gas system of the firearm.
4. **Secure the Handguard:** Firmly press the handguard into place until it locks onto the delta ring.
5. **Check Installation:** Ensure that the handguard is securely attached and does not move.

Usage

- Utilize the MLOK slots at the two, six, and ten o'clock positions for mounting accessories.
- Attach accessories according to the manufacturer's instructions to ensure proper fit and security.
- Regularly check the tightness of all mounted accessories before use.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- Do not dispose of the handguard in regular household waste if it is damaged.
- Contact local waste management authorities for proper disposal methods.
