# AR15 KeyMod Rail Panel Kit Safety Instructions

## Introduction

Thank you for choosing the AR15 KeyMod Rail Panel Kit 5Pack. This product is designed to enhance your firearm's functionality and comfort. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that all components are installed correctly before use.
- Always handle your firearm with care and follow basic firearm safety rules.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the rail panels for wear and damage.
- In case of any defects or issues, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- Avoid exposing the rail panels to extreme heat or direct flames, as this may compromise their integrity.
- Do not use the rail panels if they show signs of cracking, warping, or other damage.
- Ensure the rail panels are securely attached to prevent them from detaching during use.
- Be cautious when cutting the rail panels to avoid injury. Use appropriate tools and protective gear.
- Do not modify the rail panels in any way that could affect their performance or safety.

## Instructions for Installation and Usage

1. **Preparation:** Ensure your firearm is unloaded and safe to handle.
2. **Cleaning:** Clean the KeyMod mounting surface to remove any dirt or debris.
3. **Installation:**
  - Align the rail panel with the KeyMod slots on your handguard.
  - Slide the panel into the desired slot until it clicks into place.
  - Ensure that the locking tabs are properly engaged on both ends.
4. **Cutting (if necessary):**
  - Measure the desired length and mark the panel.
  - Use a sharp utility knife or similar cutting tool to cut the panel.
  - Smooth any rough edges to avoid injury during handling.
5. **Final Check:** After installation, check that the rail panel is secure and does not move when pulled.

## Disposal Instructions

- Dispose of the rail panels in accordance with local regulations for plastic materials.
- Do not incinerate the product as it may release harmful substances.
- If the product is damaged beyond use, contact local waste management for proper disposal methods.
