

VICKERS GLOCK ACCESSORY PACKS - TANGODOWN VICKERS

GLOCK ACCESSORY PACK-GEN 4

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

Extended magazine release is easy to find and operate allowing fast, smooth mag changes that save you precious seconds. Serrated release button is 3/64" longer than original, allowing easy thumb access without repositioning your hand. Replaces factory original without alteration. Constructed of high strength polymer composite. Made of high quality, glass-filled nylon for superior strength, these floor plates offer plenty of non-slip surface to strip a stubborn magazine from the weapon, even if stuck with mud, sand or ice. Excellent for one handed use too, just hook the floor plate under a belt, against a holster, etc. to stay in the fight. The VT Tactical Floor Plates also provide a larger, more positive surface when pulling magazines from pouches, speeding reloads. Concaved dots allow easy numbering & marking of spare magazines. For Glock® magazine calibers: 9x19mm, .40 Smith & Wesson, .357 SIG, .45 GAP Sold in packs of 5, because any serious fighting handgun should have 5 reliability-proven magazines close by. Redesigned thumb pad places the pad slightly forward of the factory position, so your thumb gets to it quicker and returns the pistol to battery faster. Pad is shaped to aid in positive contact to help prevent accidental slide stop engagement, even when you're wearing gloves. Stamped and formed from durable 4130 steel, then treated with a special hardcoat finish that resists rust and wear.

VICKERS GLOCK ACCESSORY PACK Safety Instructions

Introduction

Thank you for purchasing the VICKERS GLOCK ACCESSORY PACK. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this manual carefully before use to maximize your safety and the performance of your accessory pack.

General Safety Guidelines

- Always treat your firearm and accessories as if they are loaded.
- Ensure that you are familiar with the operation of your firearm before using this accessory pack.
- Keep the accessory pack and all related products out of reach of children and unauthorized users.
- Regularly inspect your accessories for wear or damage before use.
- If you notice any defects or malfunctions, discontinue use immediately and consult a qualified gunsmith.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Use the accessory pack only with compatible Glock® models as specified in the product description.

Specific Safety Precautions for Use

- Ensure that the magazine release is fully engaged before attempting to remove or insert a magazine.
- When using the extended magazine release, avoid placing your thumb in front of the magazine well during operation to prevent injury.
- Do not attempt to modify or alter the accessory pack in any way, as this may compromise safety and performance.
- When using the floor plates, ensure your grip is secure to prevent slippage during operation.
- Be cautious when using the accessory pack in adverse conditions (e.g., mud, sand, ice), and ensure that all components are clean and functional before use.

Instructions for Installation and Usage

1. Installation of Extended Magazine Release:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the factory magazine release by following the manufacturer's instructions.
- Install the VICKERS extended magazine release in place of the factory release without alteration.
- Check for proper installation by ensuring the release is securely in place and operates smoothly.

2. Usage of Extended Magazine Release:

- To release the magazine, press the serrated button with your thumb.
- Practice operating the magazine release to become familiar with its location and function.
- Ensure your grip is secure and your thumb is positioned correctly for optimal operation.

3. Installation of VT Tactical Floor Plates:

- Remove the factory floor plates from your magazines.
- Align the VT Tactical Floor Plate with the magazine base and press firmly until it clicks into place.
- Ensure that the floor plate is securely attached and does not come loose during use.

4. Usage of VT Tactical Floor Plates:

- When removing a magazine, use the floor plate to provide a nonslip surface for better grip.
- In adverse conditions, hook the floor plate under a belt or against a holster for easier access.
- Utilize the concaved dots on the floor plates for easy numbering and marking of spare magazines.

Disposal Instructions

- Dispose of the accessory pack and any components in accordance with local regulations.
- Do not dispose of accessories in household waste. Instead, utilize designated recycling or hazardous waste disposal facilities.
- If the product is no longer usable, ensure it is rendered unusable before disposal to prevent misuse.

Contact Information for Further Support

For safety inquiries or concerns regarding the VICKERS GLOCK ACCESSORY PACK, please refer to the appropriate channels for assistance. It is important to stay informed about product recalls and safety notices.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your VICKERS GLOCK ACCESSORY PACK. Always prioritize safety and responsible handling of your firearm and accessories. Thank you for your commitment to safety and responsible ownership.
