

LPA NOVAK ADJUSTABLE SIGHT SETS - L.P.A. SIGHTS BLACK REAR/RED FRONT ADJUSTABLE SIGHT SET, NOVAK STYLE

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Fusion Firearms/LPA fully adjustable Novak style sight sets in multiple configurations. This rear sight is designed in the "low profile" configuration for easy holstering and makes for a great target, combat, or concealment sight. Precision machined components for fine and positive click adjustments and are fully adjustable for windage and elevation. The dovetail rear sight bases have locking screws which allow for secure retention in the slide dovetail. The rear dovetail is the standard .495x65 degree, and the front dovetail is the standard .330x65 degree Novak cuts. These sights are available in red front/black rear, white dot, and fiber optic configurations.

LPA Novak Adjustable Sight Sets Safety Instruction Guide

Introduction

Thank you for choosing the LPA Novak Adjustable Sight Sets. This guide provides essential safety instructions and recommendations for the proper use and installation of your sight set. Please read this information carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the sight set is compatible with your firearm before installation.
- Always handle firearms safely and responsibly.
- Keep the sight set out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear.
- If you notice any issues, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Avoid using the sight set in wet or adverse weather conditions to prevent slipping or misalignment.
- Do not attempt to make adjustments to the sight set while the firearm is loaded.
- Always ensure that the firearm is pointed in a safe direction when making adjustments.
- Use caution when adjusting the sights to prevent injury from sharp components.
- If you are unsure about the installation or adjustment process, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a sight pusher or appropriate screwdriver.

2. Installation:

- Remove the existing sights from your firearm using the appropriate tools.
- Align the dovetail rear sight with the slide dovetail and gently tap it into place.
- Secure the rear sight using the locking screws provided.
- Install the front sight by aligning it with the front dovetail and securing it similarly.

3. Adjustment:

- Use the precision machined components to make fine adjustments for windage and elevation.
- Make adjustments slowly and test the alignment after each adjustment.

4. Usage:

- Practice using the sights in a safe and controlled environment.
- Familiarize yourself with the adjustments and how they affect your aim.

Disposal Instructions

- Dispose of any damaged or nonfunctional sight sets in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.

- Consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the LPA Novak Adjustable Sight Sets, please consult your retailer or a qualified gunsmith for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your LPA Novak Adjustable Sight Sets. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these important guidelines.
