# Safety Instruction Guide for AIMPOINT COMP M4/PRO QUICK DETACH MOUNT

## Introduction

Thank you for choosing the AIMPOINT COMP M4/PRO Quick Detach Mount from Midwest Industries. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always inspect the mount for any visible damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any difficulties or uncertainties during installation or use, consult a qualified professional.

## Specific Safety Precautions for Use

- Always ensure that the QD lever is securely locked before using the mount.
- Do not exceed the load capacity specified by the manufacturer.
- Avoid using the mount in extreme environmental conditions unless specified by the manufacturer.
- Regularly check the tension adjustment nut to ensure proper tension without damaging the rail surface.
- If the mount becomes loose during use, stop immediately and check the installation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Position the mount on the desired rail section of your firearm.
- Align the QD lever with the rail and press down firmly to secure the mount.
- Use the adjustment nut to finetune the tension. Turn clockwise to increase tension and counterclockwise to decrease it.
- Confirm that the mount is securely attached and does not move when pulled.

### 2. Usage:

- Always verify that the mount is properly attached before using the firearm.
- When removing the mount, ensure the QD lever is fully disengaged before lifting the mount off the rail.
- Store the mount in a safe, dry place when not in use to prevent damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not dispose of the product in household waste. Check for local recycling programs or designated disposal sites.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's website or contact the

designated EUbased contact point provided with your product.

By following these guidelines, you can ensure the safe use of your AIMPOINT COMP M4/PRO Quick Detach Mount. For any concerns regarding product safety or performance, please consult the appropriate resources. Thank you for your attention to safety.
