# PICATINNY HARRISTYPE BIPOD QD MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the PICATINNY HARRISTYPE BIPOD QD MOUNT from MIDWEST INDUSTRIES. This guide provides essential safety instructions and usage information to ensure your experience with this product is safe and enjoyable. Please read this manual carefully before using the bipod mount.

## General Safety Guidelines

- Always ensure that the bipod mount is compatible with your firearm and accessories before installation.
- Inspect the bipod mount for any damage or defects before each use. Do not use if damaged.
- Keep the bipod mount out of reach of children and unauthorized users.
- Use the bipod mount only for its intended purpose as described in this guide.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the bipod is securely mounted to the Picatinny rail before use. A loose connection may cause malfunction or injury.
- Do not exceed the recommended weight limit for the bipod mount.
- Avoid placing your fingers or any body part near the bipod mechanism during operation to prevent injury.
- Do not modify the bipod mount in any way, as this may compromise safety and functionality.
- When adjusting the tension, do so gradually to avoid damaging the rail surface.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools if required for your specific setup.

#### 2. Mounting the Bipod:

- Align the bipod mount with the Picatinny rail on your firearm.
- Engage the QD lever to lock the bipod in place. Ensure that it is fully engaged and secure.
- Test the stability of the bipod by gently pulling on it to confirm it is firmly attached.

### Usage

#### 1. Adjusting the Bipod:

- Use the multifaceted adjustment nut to set the desired tension. Turn the nut clockwise to increase tension and counterclockwise to decrease tension.
- Ensure that the adjustment is made without tools for convenience and safety.

#### 2. Positioning:

- Position the bipod legs to achieve the desired height and stability.

- Always ensure that the bipod is on a stable surface before firing.

### **3. PostUse:**

- After use, detach the bipod mount from the firearm if not needed. Store it in a safe place.

## **Disposal Instructions**

- Dispose of the bipod mount in accordance with local regulations.
- Do not dispose of the bipod mount in household waste. Check for recycling options for aluminum materials.

## **Contact Information for Further Support**

For any safety inquiries or support, please refer to the product packaging or visit the manufacturer's website for contact details.

By following these guidelines, you can ensure a safe and effective experience with your PICATINNY HARRISTYPE BIPOD QD MOUNT. Thank you for your attention to safety. Enjoy your product!
