# TRIJICON MRO TRU COWITNESS MOUNTS USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TRIJICON MRO TRU COWITNESS MOUNTS by American Defense Manufacturing. This guide provides important safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the mount is compatible with your Trijicon Miniature Rifle Optic.
- Always inspect the mount for any signs of damage or wear before each use.
- Do not exceed the manufacturer's recommended weight limits for mounted optics.
- Keep the mount and associated equipment out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- If you experience any issues with the mount, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Avoid using the mount in extreme temperatures or harsh environmental conditions that may affect its performance.
- Ensure that the mount is securely attached to the rail system before use to prevent accidental detachment.
- Regularly check the tightness of the mount to ensure it remains secure during use.
- Do not modify the mount in any way, as this may compromise its integrity and safety.
- Use appropriate eye protection when engaging in activities where the mount will be used.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your Trijicon Miniature Rifle Optic is clean and free from debris.
- Align the mount with the rail system on your firearm.
- Use the Patented QD Auto Lock™ Lever system to securely attach the mount to the rail.
- Confirm that the mount is locked in place and does not move when pulled or twisted.
- If using Tactical Levers, adjust the extended thumb pad for optimal comfort and accessibility.

### 2. Usage:

- Once installed, check the alignment of your optic with the target.
- Make any necessary adjustments to ensure a proper sight picture.
- Regularly verify the mount's stability during use, especially after heavy recoil.
- Clean the mount periodically with a soft cloth to maintain its finish and functionality.

## Disposal Instructions

- Dispose of the mount in accordance with local environmental regulations.
- If the mount is damaged or no longer functional, do not attempt to repair it.
- Recycle materials where applicable, following local guidelines for metal and aluminum disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIJICON MRO TRU COWITNESS MOUNTS, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product information ready when seeking support.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your TRIJICON MRO TRU COWITNESS MOUNTS. Thank you for your attention to these important details.
