

# AR-15/308 AR PRS GEN 3 PRECISION STOCK ADJUSTABLE RIFLE LENGTH - MAGPUL AR-15 PRSGEN3 PRECISION STK ADJ. RIFLE LENGTH BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The PRS GEN3 is a field precision stock for AR15/M16 and AR10/SR25 platforms, featuring tool-less length of pull and cheek piece height adjustment. Adjustable for length of pull and cheek piece height via aluminum detent knobs, the PRS GEN3 (Precision Rifle/Sniper) stock is intended for semi automatic sniper or varmint type rifles. It installs on rifle-length receiver extensions as well as mil-spec and A5 length carbine receiver extensions and includes a cant/height-adjustable rubber butt-pad and rotation-limiting QD sling cups as well as M-LOK slots on the bottom for rear monopod mounting. Mounts to rifle-length receiver extension tube without A2 spacer, but will accommodate mil-spec sized M4 Carbine and many A5-length tubes with standard Castle Nuts and End Plates (not included) Enhanced strength butt-plate withstands severe impact and recoil up to .50 BMG Rubber butt-pad provides positive should purchase to prevent slippage and is adjustable for both cant and height Machined aluminum LOP and Cheek Piece adjustment knobs with positive locking click detents Steel adjustment shafts finished with melonite for wear and corrosion resistance All aluminum components finished with MIL-A-862F, Type III, Class 2 hard coat anodizing Bottom M-LOK slots provide additional sling mounting possibilities for attaching 1913 picatinny railies for use with a monopod Sling Mounts: Front & Rear rotoation-limited QD sling swivel mounts. Rear mount 1.25" aluminum sling loop (left side reversible) NOTE: Due to the wide variety of designs and dimensions of carbine receiver extensions as well as the associated mounting hardware, proper fit cannot be guaranteed. Mounting to rifle-length receiver extension is recommended to ensure optimal fit and funtion.

# Safety Instruction Guide for AR15/308 AR PRS GEN 3 Precision Stock

## Introduction

Thank you for choosing the AR15/308 AR PRS GEN 3 Precision Stock. This guide provides essential safety instructions and usage information to ensure your safety and the proper functioning of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure safe handling and storage of the stock to prevent accidents.
- Always treat the firearm as if it is loaded.
- Ensure that the stock is compatible with your firearm before installation.
- Keep the stock away from children and unauthorized users.
- Regularly inspect the stock for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe product experiences to the appropriate authorities.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure you have the necessary tools and follow the installation instructions carefully.
- Do not attempt to modify the stock in any way that could compromise safety.

### • Usage Precautions:

- Always check that the stock is securely mounted before use.
- Use the stock only with compatible riflelength receiver extensions.
- Do not exceed the recommended weight limits when attaching accessories to the stock.
- Use the adjustable features responsibly to ensure proper fit and comfort.

### • Storage Precautions:

- Store the firearm in a secure location, separate from ammunition.
- Keep the stock clean and dry to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the riflelength receiver extension.
- Align the PRS GEN3 Precision Stock with the receiver extension.
- Secure the stock using the appropriate castle nut and end plate (not included).
- Tighten to ensure a secure fit without overtightening.
- Adjust the length of pull and cheek piece height using the aluminum detent knobs.

### 2. Usage:

- Adjust the length of pull and cheek piece height to fit your body size and shooting style.
- Use the rubber butt pad for added comfort and stability.

- Attach the sling mounts as needed for your shooting setup.
- Regularly check the stock for any signs of wear or looseness.

## **Disposal Instructions**

- Dispose of the stock according to local regulations regarding firearm accessories.
- If the stock is damaged beyond use, consider recycling materials where applicable.
- Do not dispose of the stock in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/308 AR PRS GEN 3 Precision Stock, please reach out to the manufacturer or authorized dealer for assistance. Always ensure that you are following the latest safety guidelines and regulations.

By adhering to these safety instructions and guidelines, you can ensure a safer experience while using the AR15/308 AR PRS GEN 3 Precision Stock. Thank you for your attention to safety.
