[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The PRS GEN3 is a field precision stock for AR15/M16 and AR10/SR25 platforms, featuring tool-less length of pull and cheek piece height adjustment. Adjustable for length of pull and cheek piece height via aluminum detent knobs, the PRS GEN3 (Precision Rifle/Sniper) stock is intended for semi automatic sniper or varmint type rifles. It installs on rifle-length receiver extensions as well as mil-spec and A5 length carbine receiver extensions and includes a cant/height-adjustable rubber butt-pad and rotation-limiting QD sling cups as well as M-LOK slots on the bottom for rear monopod mounting. Mounts to rifle-length receiver extension tube without A2 spacer, but will accommodate mil-spec sized M4 Carbine and many A5-length tubes with standard Castle Nuts and End Plates (not included) Enhanced strength butt-plate withstands severe impact and recoil up to .50 BMG Rubber butt-pad provides positive should purchase to prevent slippage and is adjustable for both cant and height Machined aluminum LOP and Cheek Piece adjustment knobs with positive locking click detents Steel adjustment shafts finished with melonite for wear and corrosion resistance All aluminum components finished with MIL-A-862F, Type III, Class 2 hard coat anodizing Bottom M-LOK slots provide additional sling mounting possibilities for attaching 1913 picatinny rails for use with a monopod Sling Mounts: Front & Rear rotation-limited QD sling swivel mounts. Rear mount 1.25" aluminum sling loop (left side reversible) NOTE: Due to the wide variety of designs and dimensions of carbine receiver extensions as well as the associated mounting hardware, proper fit cannot be guaranteed. Mounting to rifle-length receiver extension is recommended to ensure optimal fit and function.

# Safety Instruction Guide for AR15/308 AR PRS GEN 3 Precision Stock

## Introduction

Thank you for choosing the AR15/308 AR PRS GEN 3 Precision Stock. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully before use to understand the potential hazards and proper handling of the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure the stock is securely attached to the rifle before handling.
- Use the stock only with compatible riflelength receiver extensions.
- Always follow local laws and regulations regarding firearm usage.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any damage or wear before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the stock is adjusted properly for length of pull and cheek piece height before shooting.
- Use the provided rubber buttpad to prevent slippage during use.
- Do not exceed the recommended recoil limits, as this may cause damage to the stock or injury to the user.
- When adjusting the length of pull or cheek piece height, ensure that adjustments are secure and locked in place.
- Avoid using the stock with any modifications that are not approved by the manufacturer.
- Be aware of your surroundings and ensure that the shooting area is clear of bystanders.

## Instructions for Installation and Usage

### Installation

- Ensure that the firearm is unloaded and the safety is engaged.
- Remove the existing stock from the riflelength receiver extension.
- Align the PRS GEN3 stock with the receiver extension tube.
- Slide the stock onto the receiver extension until it is fully seated.
- Secure the stock using the appropriate castle nut and end plate (not included).
- Ensure that the stock is securely attached by gently tugging on it.

### Usage

- Adjust the length of pull by turning the aluminum detent knobs. Ensure they click into place.
- Adjust the cheek piece height similarly, ensuring a secure fit.
- Use the cant/heightadjustable rubber buttpad for comfort and stability.
- Attach sling mounts as needed for your shooting setup.
- Regularly check the adjustments and fittings to ensure they remain secure during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling components where possible, particularly aluminum and polymer parts.

## **Contact Information for Further Support**

For safety inquiries or further support, please reach out to the manufacturer's customer service or consult the product's official website for additional resources.

This safety instruction guide is designed to help you use the AR15/308 AR PRS GEN 3 Precision Stock safely and effectively. By following these guidelines, you can ensure a safer shooting experience for yourself and those around you.
