[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The PRS GEN3 is a field precision stock for AR15/M16 and AR10/SR25 platforms, featuring tool-less length of pull and cheek piece height adjustment. Adjustable for length of pull and cheek piece height via aluminum detent knobs, the PRS GEN3 (Precision Rifle/Sniper) stock is intended for semi automatic sniper or varmint type rifles. It installs on rifle-length receiver extensions as well as mil-spec and A5 length carbine receiver extensions and includes a cant/height-adjustable rubber butt-pad and rotation-limiting QD sling cups as well as M-LOK slots on the bottom for rear monopod mounting. Mounts to rifle-length receiver extension tube without A2 spacer, but will accommodate mil-spec sized M4 Carbine and many A5-length tubes with standard Castle Nuts and End Plates (not included) Enhanced strength butt-plate withstands severe impact and recoil up to .50 BMG Rubber butt-pad provides positive should purchase to prevent slippage and is adjustable for both cant and height Machined aluminum LOP and Cheek Piece adjustment knobs with positive locking click detents Steel adjustment shafts finished with melonite for wear and corrosion resistance All aluminum components finished with MIL-A-862F, Type III, Class 2 hard coat anodizing Bottom M-LOK slots provide additional sling mounting possibilities for attaching 1913 picatinny rails for use with a monopod Sling Mounts: Front & Rear rotation-limited QD sling swivel mounts. Rear mount 1.25" aluminum sling loop (left side reversible) NOTE: Due to the wide variety of designs and dimensions of carbine receiver extensions as well as the associated mounting hardware, proper fit cannot be guaranteed. Mounting to rifle-length receiver extension is recommended to ensure optimal fit and function.

Safety Instruction Guide for AR15/308 AR PRS GEN 3 Precision Stock

Introduction

Thank you for choosing the AR15/308 AR PRS GEN 3 Precision Stock. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and maintain your precision stock safely.

General Safety Guidelines

- Ensure safe handling of the rifle and stock at all times.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction.
- Store the stock and firearm in a secure location, away from children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms.
- Regularly inspect the stock and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use may lead to firearm malfunctions or accidents. Ensure that the stock is compatible with your rifle before installation.
- **Avoiding Hazards:**
 - Do not exceed the recommended torque specifications during installation.
 - Ensure all components are securely fastened before using the firearm.
 - Be cautious when adjusting the length of pull and cheek piece height to avoid pinching fingers.
- **Age Specific Warnings:** This product is not intended for use by individuals under the age of 18 without adult supervision. Ensure that inexperienced users are guided by knowledgeable adults when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle by unscrewing the castle nut and end plate.
- Slide the PRS GEN3 Precision Stock onto the rifle length receiver extension tube.
- Secure the stock in place using the appropriate castle nut (not included) and end plate (not included).
- Adjust the stock to the desired length of pull and cheek piece height using the aluminum detent knobs.
- Ensure all adjustments are locked in place before use.

2. Usage:

- Before firing, doublecheck that the stock is securely attached and all adjustments are locked.
- When adjusting the length of pull or cheek piece height, do so slowly and carefully.
- After each use, inspect the stock for any signs of damage or wear.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding waste disposal.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For additional information or support regarding the AR15/308 AR PRS GEN 3 Precision Stock, please refer to the manufacturer's website or contact their customer service. Ensure that you have your product details handy for efficient assistance.

By following these safety instructions, you can enjoy the benefits of the AR15/308 AR PRS GEN 3 Precision Stock while ensuring a safe shooting experience. Thank you for prioritizing safety in your firearm usage.
