# Safety Instruction Guide for AK47/74 Recoil Spring

## Introduction

Thank you for choosing the ALG Defense AK47/74 Recoil Spring. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the recoil spring safely.

## General Safety Guidelines

- Ensure the recoil spring is compatible with your specific model of AK47 or AK74 before installation.
- Always handle firearms with care and follow local laws and regulations regarding their use.
- Keep the recoil spring and all firearm components out of reach of children and unauthorized users.
- Inspect the recoil spring regularly for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the recoil spring in accordance with the manufacturer's specifications.
- Avoid using the recoil spring with modified or nonstandard components that may affect performance.
- Ensure that the firearm is unloaded before installing or inspecting the recoil spring.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is completely unloaded.
- Gather necessary tools for installation, such as a punch tool or hammer.

### 2. Installation Steps

- Remove the existing recoil spring from your firearm by following the manufacturer's instructions.
- Inspect the new ALG recoil spring for any defects or damage before installation.
- Align the new recoil spring with the recoil spring guide in your firearm.
- Carefully insert the recoil spring into the guide, ensuring it is seated properly.
- Reassemble your firearm according to the manufacturer's instructions.

### 3. Usage

- Once installed, test the firearm in a safe and controlled environment.
- Observe the firearm's performance and ensure the recoil spring functions correctly during operation.
- Regularly check the recoil spring for any signs of wear or damage during routine maintenance.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations regarding metal waste.
- Do not dispose of the recoil spring in regular household trash.
- If the recoil spring is damaged or no longer usable, consider recycling it at a designated metal recycling

facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the ALG Defense AK47/74 Recoil Spring, please contact the appropriate support channels as per your region. Ensure you have the product details and any relevant information ready for assistance.

By following these safety instructions, you can ensure the safe and effective use of the ALG Defense AK47/74 Recoil Spring. Thank you for prioritizing safety in your firearm practices.
