# Safety Instruction Guide for CARRY LITE MAG CARRIER

## Introduction

Thank you for choosing the CARRY LITE MAG CARRIER by Galco International. This product is designed to securely hold spare magazines, ensuring a quick reload when needed. To guarantee your safety and the effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Always handle the magazine carrier with care to avoid accidents.
- Regularly inspect the product for any signs of wear or damage.
- Keep this product out of reach of children and vulnerable individuals.
- Always store the magazine carrier in a secure location when not in use.

## Specific Safety Precautions for Use

- Use only compatible magazines with the CARRY LITE MAG CARRIER.
- Do not overload the carrier beyond its intended capacity.
- Ensure that the magazine is securely held in place before engaging in any activity.
- Avoid exposing the carrier to extreme temperatures or harsh environmental conditions.
- Be cautious when removing the magazine from the carrier to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Installation:

- Position the magazine carrier on your belt at a comfortable height.
- Adjust the oneway snap to secure the carrier in place.
- Ensure that the carrier is firmly attached to prevent any movement during use.

### 2. Usage:

- To insert a magazine, align it with the opening of the carrier and push it down until it clicks into place.
- To remove a magazine, grasp the carrier with one hand and gently pull the magazine out with the other hand.
- Always practice safe handling and ensure that the firearm is pointed in a safe direction when reloading.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling components where possible.
- Do not dispose of the product in general waste if it contains hazardous materials.
