# SINGLE MAGAZINE CARRIER GALCO INTERNATIONAL SINGLE MAG CARRIER .380 SINGLE STACKBLACK Safety Instruction Guide

## Introduction

Thank you for choosing the SINGLE MAGAZINE CARRIER GALCO INTERNATIONAL SINGLE MAG CARRIER .380 SINGLE STACKBLACK. This product is designed to securely hold your magazine while ensuring safety and convenience. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the carrier is used solely for its intended purpose: to hold a single magazine for .380 Auto (ACP) cartridges.
- Always check for wear and tear before use. If the carrier shows signs of damage, discontinue use immediately.
- Store the carrier in a dry and safe place, away from children and pets.
- Be aware of your surroundings when using the carrier, especially in public spaces.

## Specific Safety Precautions for Use

- **Ambidextrous Design:** This product is designed for both left and righthanded users. Ensure that you are using the carrier in the position that is most comfortable and secure for you.
- **Belt Compatibility:** The carrier fits belts up to 1 3/4" wide. Ensure that your belt meets this requirement for optimal security.
- **Tension Adjustment:** Adjust the tension unit for a custom fit. A secure fit prevents the magazine from falling out during movement.
- **Avoid Excessive Force:** Do not force the magazine into the carrier. This can damage both the magazine and the carrier.
- **Check for Loose Parts:** Regularly inspect the carrier for any loose parts or fastenings. Tighten as needed to ensure safety.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the carrier onto your belt, ensuring that the oneway snap is securely fastened at the back.
- Adjust the carrier to your preferred position for easy access and comfort.

### 2. Usage:

- Insert the magazine into the carrier, ensuring it is seated properly.
- Make any necessary adjustments to the tension unit to ensure a snug fit.
- When removing the magazine, do so gently to avoid any damage.

### 3. Regular Maintenance:

- Clean the carrier with a soft cloth to remove dirt and debris.
- Apply a leather conditioner periodically to maintain the quality of the saddle leather.

## **Disposal Instructions**

- Dispose of the carrier according to local regulations for leather products.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents accidental use by others.

## **Contact Information for Further Support**

For any inquiries about safety or product issues, please refer to the EU contact point for consumer safety inquiries, as required by the EU GPSR.

By following these safety instructions, you can ensure a safe and effective experience with your SINGLE MAGAZINE CARRIER GALCO INTERNATIONAL SINGLE MAG CARRIER .380 SINGLE STACKBLACK. Thank you for your attention to safety.
