# SP Series Handguards Safety Instruction Guide

## Introduction

Thank you for choosing the SP Series Handguards, MLOK by Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your handguard. Please read this document carefully before use to minimize risks and enhance your experience with the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when handling tools or firearms.
- Check local laws and regulations regarding the use of firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the handguard for any signs of damage before installation and use.
- Do not exceed the recommended weight capacity on the rail system to prevent failure.

## Specific Safety Precautions for Use

- Ensure that the handguard is securely attached to your firearm before use.
- Do not modify the handguard or its components in any way, as this may compromise safety.
- Be cautious when using accessories mounted on the handguard; ensure they are properly secured.
- If you notice any unusual wear or damage during use, discontinue use immediately and inspect the product.
- Avoid exposing the handguard to extreme temperatures or harsh chemicals, which can affect its integrity.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Required Tools:** You will need a barrel nut wrench (included) and appropriate screws (not included).
2. **Remove Existing Handguard:** If applicable, carefully remove the old handguard from your firearm.
3. **Install Barrel Nut:** Use the barrel nut wrench to install the new barrel nut securely onto the firearm's upper receiver.
4. **Attach Handguard:** Align the handguard with the barrel nut and secure it using the provided screws. Ensure it is tightened to manufacturer specifications.
5. **Check Alignment:** Verify that the handguard is aligned correctly and does not obstruct any firearm functions.
6. **Install Accessories:** Attach any MLOK compatible accessories as needed, ensuring they are securely fastened.

### Usage Instructions

- Always verify that your firearm is unloaded before installing or adjusting the handguard.
- Regularly check the tightness of the handguard and any attached accessories, especially after extended use.
- When using the firearm, maintain proper handling and shooting practices to ensure safety.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding aluminum and polymer materials.
- If the product is damaged beyond use, consider recycling the materials where facilities exist.

- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support, please refer to the contact information provided by the retailer or manufacturer. It is important to have an EU-based contact for any safety concerns or product recalls.

## **Conclusion**

By following these safety guidelines, you can ensure a safe and enjoyable experience with your SP Series Handguards, MLOK. Always prioritize safety and be aware of your surroundings when using firearm accessories. Thank you for your attention to these important safety measures.
