[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## Simple One-Hand Operation Changes From Use To Carry

The VTAC Sling is instantly adjustable, allowing you to adjust shooting positions with ease. You can easily move from strong side shoulder to weak side shoulder or secure your carbine during handgun transition. Unlike other slings on the market, the Viking Tactics Sling isn't just a carrying strap. Its full range of adjustability will enhance retention for when you need your hands free. It is also one of the only tactical slings that can be used as an adjustable shooting sling.

# VTAC ORIGINAL SLING VIKING TACTICS Safety Instruction Guide

## Introduction

Thank you for choosing the VTAC ORIGINAL SLING from Viking Tactics. This safety instruction guide provides essential information to ensure the safe and effective use of your sling. Please read this guide carefully before using the product.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general guidelines:

- Always inspect the sling before each use for signs of wear or damage.
- Ensure that the sling is securely attached to your firearm before use.
- Do not overload the sling beyond its intended use.
- Keep the sling away from children and unauthorized users.
- Use the sling only as intended; do not modify or alter it in any way.
- Follow all local laws and regulations regarding firearm safety and usage.

## Specific Safety Precautions for Use

When using the VTAC ORIGINAL SLING, please be aware of the following safety precautions:

- **Adjustability:** Ensure that the sling is adjusted to a comfortable length before using it. An improper fit may cause the firearm to slip or become difficult to control.
- **Transitioning:** Practice transitioning from strong side to weak side shoulder in a safe environment before using it in the field.
- **Handgun Transition:** When transitioning to a handgun, secure the carbine properly to avoid accidents.
- **Retention:** Use the full range of adjustability to enhance retention, especially when your hands need to be free.
- **Shooting Positions:** Familiarize yourself with various shooting positions using the sling to ensure stability and control.

## Instructions for Installation and Usage

Follow these steps to properly install and use your VTAC ORIGINAL SLING:

### 1. Installation:

- Locate the attachment points on your firearm.
- Thread the sling through the attachment points, ensuring it is secure.
- Adjust the length of the sling to fit your body comfortably.

### 2. Usage:

- To adjust the sling, pull on the adjustment straps to lengthen or shorten it as needed.
- Practice moving the sling from one shoulder to the other in a safe environment.
- Ensure the firearm is secure and properly positioned when using the sling.

## Disposal Instructions

When disposing of the VTAC ORIGINAL SLING, please follow these guidelines:

- Do not dispose of the sling in regular household waste.
- Check local regulations for proper disposal methods for nylon materials.
- If the sling is damaged or no longer usable, consider recycling options if available.

## Contact Information for Further Support

For any safety inquiries or support, please reach out to the designated EU contact point for Viking Tactics. Visit the official website or refer to the product packaging for more information.

## Conclusion

By following these safety instructions, you can ensure a safer experience while using the VTAC ORIGINAL SLING. Always prioritize safety and responsible firearm handling. Thank you for choosing Viking Tactics.
