

# TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 35MM MEDIUM (1.185") STEEL RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [TPS PRODUCTS 35MM MEDIUM \(1.185"\) STEEL RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020389
- Mfr. No.: 30701
- Finish: -
- Height: 1.185"
- Material: Steel
- Scope Tube Diameter: 35mm
- Size: Medium
- Style: Steel
- Delivery weight: 0.045kg
- Shipping height: 58mm
- Shipping width: 58mm
- Shipping length: 94mm
- UPC: 071611307017

# TSR Picatinny Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the TSR Picatinny Scope Rings by TPS Products. These highquality steel rings are designed to securely hold your scope in place, providing maximum contact and stability during use. This guide offers essential safety instructions and precautions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm before installation.
- Always follow the manufacturer's instructions for installation and use.
- Inspect the scope rings for any signs of damage or wear before each use.
- Store the scope rings in a dry, cool place to prevent corrosion and damage.
- Use the scope rings only for their intended purpose; do not modify or alter them.
- Keep the product out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when handling or installing the scope rings.
- Avoid overtightening the screws, as this may damage the scope or the rings.
- Ensure that the scope is properly aligned and secured before use to prevent it from moving during shooting.
- Regularly check the tightness of the screws and the overall condition of the scope rings during use.
- Be aware of your surroundings and ensure a safe shooting environment when using firearms equipped with the scope.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have all necessary tools, including a torque wrench and appropriate screwdrivers.
- Clean the mounting surface of your firearm to remove any dirt or debris.

### 2. Installation:

- Position the scope rings on the Picatinny rail of your firearm.
- Align the scope in the rings and ensure it is at the desired height and position.
- Using the provided screws, secure the rings to the Picatinny rail. Tighten the screws in a crisscross pattern to ensure even pressure.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications (typically to MilSTD 1913 standards).

### 3. Usage:

- After installation, check the alignment of the scope reticle. Adjust as necessary.
- Before firing, ensure that all screws are tightened and that the scope is securely held in place.
- Regularly inspect the scope rings for tightness and condition during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the TSR Picatinny Scope Rings, please refer to the manufacturer's website or customer service contact.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your TSR Picatinny Scope Rings.
