

TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W STEEL RINGS 35MM LOW

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

TSRW Picatinny/Weaver Scope Rings Safety Instructions

Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings by TPS Products. These scope rings are designed to securely hold your scope in place, ensuring optimal performance during use. This guide provides essential safety instructions to ensure your product is used correctly and safely.

General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm.
- Always inspect the scope rings for any signs of damage or wear before use.
- Follow all manufacturer guidelines for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recalls or safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the specified tools when tightening or adjusting the scope rings.
- Do not exceed the recommended torque settings to avoid damaging the rings or your scope.
- Ensure the scope is securely mounted before handling the firearm.
- Avoid using the product in extreme temperatures or environments that may affect its integrity.
- If you notice any unusual movement or looseness in the scope after installation, discontinue use and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation

- Place the scope rings onto the Picatinny or Weaver base, aligning them with the desired mounting position.
- Insert the screws into the cap of the rings and handtighten them.
- Using a torque wrench, tighten the screws to the recommended torque settings:
 - Ensure that the left side is tightened first, followed by the right side to prevent scope rotation.
- Check that the scope is aligned correctly and the reticle is level.

3. Usage

- Regularly check the tightness of the scope rings, especially after extended use or transportation.
- Avoid any modifications or alterations to the scope rings that could compromise their safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Check with local authorities or recycling centers for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the TSRW Picatinny/Weaver Scope Rings, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the TSRW scope rings while ensuring safety and compliance with all regulations.
