

TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W ALUMINUM RINGS 1" MEDIUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

Attributes

- Name: [TPS PRODUCTS TSR-W ALUMINUM RINGS 1" MEDIUM](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020418

TSRW Picatinny/Weaver Scope Rings Safety Instructions

Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings from TPS Products. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this manual thoroughly before using the scope rings.

General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm before installation.
- Always handle firearms and associated equipment responsibly and in accordance with local laws.
- Inspect the scope rings for any signs of damage or wear before each use.
- If you notice any defects or issues, do not use the product and contact the manufacturer for support.
- Keep the scope rings out of reach of children and unauthorized users.
- Store the scope rings in a dry and secure location when not in use.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended torque specifications when tightening the rings.
- Ensure that the scope is properly aligned and securely fastened before firing the firearm.
- Avoid using the scope rings in extreme temperatures or harsh environments that may affect their performance.
- Be cautious of the recoil generated by your firearm when using the scope rings, as improper installation can lead to damage or accidents.
- Always wear appropriate eye protection when using firearms equipped with scopes.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools including a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove any existing scope rings from your firearm if applicable.
- Place the TSRW scope rings onto the Picatinny or Weaver base, ensuring they are positioned correctly.
- Align the scope within the rings and adjust for the desired position.
- Tighten the left side of the cap first, followed by the right side, ensuring the scope does not rotate during the process.
- Use the large clampnut to torque the rings to the recommended specifications.

3. Usage:

- Once installed, check the alignment of the reticle through the scope.
- Make any necessary adjustments to ensure proper sighting.
- Always doublecheck that the scope is securely mounted before using the firearm.

Disposal Instructions

- Dispose of the scope rings in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.
- Consider recycling the product at a designated facility if available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please contact the manufacturer directly. Ensure you have the product details and any relevant information ready for a quicker response.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your TSRW Picatinny/Weaver Scope Rings.
