

TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W ALUMINUM RINGS 1" HIGH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

Attributes

- Name: [TPS PRODUCTS TSR-W ALUMINUM RINGS 1" HIGH](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020419
- Mfr. No.: 30622

TSRW Picatinny/Weaver Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings by TPS Products. These rings are designed to securely hold your scope in place, providing a stable platform for accurate shooting. To ensure your safety and the proper functioning of the product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the scope rings are compatible with your specific scope and firearm.
- Inspect the scope rings for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm use and modifications.
- Keep the product out of reach of children and other vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when tightening the scope rings.
- Ensure that the scope is properly aligned before tightening the screws to avoid misalignment during use.
- Use appropriate tools to avoid damaging the screws or the scope rings during installation.
- Avoid using the product in extreme weather conditions that may affect its performance.
- If you notice any unusual behavior from your firearm after installation, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and in a safe condition before starting installation.

2. Installation Steps

- Place the scope rings onto the Picatinny or Weaver base.
- Align the rings with the scope tube.
- Insert the scope into the rings and adjust its position for optimal eye relief.
- Tighten the left side of the cap first, followed by the right side, ensuring the scope does not rotate.
- Use a torque wrench to tighten the screws to the manufacturer's specifications. Do not exceed the recommended torque.

3. PostInstallation Check

- After installation, doublecheck that all screws are secure.
- Ensure that the scope is properly aligned and does not shift when the firearm is handled.

4. Usage

- Always handle your firearm responsibly and follow safe shooting practices.
- Regularly inspect the scope rings for tightness and any signs of wear or damage during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or support regarding the TSRW Picatinny/Weaver Scope Rings, please contact the manufacturer directly. Ensure you have the product information ready for reference.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the TSRW Picatinny/Weaver Scope Rings!
