

# TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W ALUMINUM RINGS 1" X-HIGH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [TPS PRODUCTS TSR-W ALUMINUM RINGS 1" X-HIGH](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020420
- Mfr. No.: 30623

# TSRW Picatinny/Weaver Scope Rings Safety Instructions

## Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings by TPS Products. These aluminum rings are designed to securely hold your scope in place, enhancing your shooting experience. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle the scope rings with care to avoid injury.
- Ensure that the scope rings are installed correctly to prevent accidents.
- Regularly inspect the scope rings for signs of wear or damage.
- Keep the scope rings out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure that the firearm is unloaded before installing the scope rings.
- Use appropriate tools and follow the installation instructions closely.

### • Usage Safety:

- Always check the tightness of the rings before each use to ensure they are secure.
- Avoid overtightening, which could damage the rings or the scope.

### • Storage Safety:

- Store the scope rings in a dry place to prevent corrosion.
- Keep them in their original packaging or a protective case when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Select the appropriate mounting base (Weaverstyle or MilSTD 1913).
- Place the scope rings onto the base, ensuring the alignment is correct.
- Use the included screws to secure the rings, tightening them evenly.
- Align the scope within the rings and adjust for proper positioning.
- Tighten the left side of the cap first, then the right side to prevent rotation.

### 2. Usage:

- After installation, check the alignment of the scope reticle.
- Test the stability of the scope by gently moving it; it should remain secure.
- After each use, inspect the scope rings for any signs of wear or loosening.

## **Disposal Instructions**

- Dispose of any damaged or wornout scope rings in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the TSRW Picatinny/Weaver Scope Rings, please reach out to the manufacturer or your point of purchase for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TSRW Scope Rings. Thank you for your attention to safety!
