

# TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W ALUMINUM RINGS 35MM MEDIUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [TPS PRODUCTS TSR-W ALUMINUM RINGS 35MM MEDIUM](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020428

# TSRW Picatinny/Weaver Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings by TPS Products. These scope rings are designed for secure mounting of scopes on firearms. This guide provides essential safety instructions and information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm before installation.
- Always handle firearms with care and follow all safety protocols.
- Inspect the scope rings for any damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when securing the scope rings.
- Ensure that the scope is properly aligned and secured to prevent movement during use.
- Avoid using the product in extreme temperatures or environmental conditions that may affect performance.
- Do not modify the scope rings or use them for purposes other than intended.
- Always wear appropriate eye protection when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including a torque wrench and screwdriver.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Place the scope rings onto the Picatinny or Weaver base.
- Align the scope in the rings, ensuring the reticle is level.
- Tighten the left side of the cap first, followed by the right side to secure the scope without rotation.
- Use the large clampnut to torque the rings to the base, adhering to manufacturer specifications.

### 3. Usage:

- Once installed, check the scope alignment and the tightness of the rings before firing.
- Regularly inspect the scope rings for any signs of wear or loosening during use.

## Disposal Instructions

- Dispose of the scope rings in accordance with local regulations.
- Recycle materials where possible, and do not dispose of them in regular household waste.
- Check for any specific disposal instructions from local waste management authorities.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the appropriate contact channels provided by the manufacturer or retailer. Always ensure that you have the product details ready for efficient assistance.

By following these guidelines, you can ensure a safe and effective experience with your TSRW Picatinny/Weaver Scope Rings. Thank you for your attention to safety and compliance.
