

BROWNELLS EXCLUSIVE ACTION ENHANCEMENT TRIGGER FOR GLOCK® - APEX TACTICAL SPECIALTIES INC ACTION ENHANCEMENT TRIGGER BODY FOR GLOCK®-RED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Apex Tactical Action Enhancement Trigger for Glock® is a direct drop-in replacement of the factory polymer trigger and reduces pre-travel, overall trigger travel, and trigger reset, provides a smooth uptake and reset while delivering a crisp trigger break. Expected Results: Direct drop-in replacement of factory polymer trigger Smooths uptake and reset Reduces trigger pre-travel, overall travel, and reset distance Crisp trigger break Center mounted pivoting safety maintains factory safety values Trigger Only without trigger bar works in nearly all current Glock® model pistols including the G43. The trigger is NOT designed to function in the narrower frame of the model 42. Not for use with a Gen 4 Trigger Bar. Trigger Only Requires use of customer's stock Gen 3 trigger bar (and removal of factory trigger) or installation on separately purchased factory trigger bar (NOTE: removing the factory trigger from the trigger bar requires replacement of the complete assembly to go back to stock). Not for use with Gen 4 trigger bar. NOT FOR USE IN GEN 5 GLOCKS

Safety Instruction Guide for BROWNELLS EXCLUSIVE ACTION ENHANCEMENT TRIGGER FOR GLOCK® APEX TACTICAL SPECIALTIES INC

Introduction

Thank you for choosing the Apex Tactical Action Enhancement Trigger for Glock®. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is crucial to follow these instructions to prevent accidents and ensure proper functionality.

General Safety Guidelines

- **Product Safety:** This trigger is designed to enhance the performance of your Glock® pistol. Ensure safe use by following all instructions.
- **Enhanced Recalls:** In the event of a product recall, you will be notified with standardized recall notices and provided with free remedies if necessary.
- **Online Shopping:** If purchased online, this product has the same safety protections as those available in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around children and vulnerable groups.
- **EU Contact Point:** For safety inquiries, refer to the EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Compatibility:** This trigger is designed for use in nearly all current Glock® model pistols, including the G43. It is NOT compatible with the model 42 or Gen 4 Trigger Bar.
- **Installation Requirements:** Ensure you use your stock Gen 3 trigger bar or a separately purchased factory trigger bar. Removing the factory trigger from the trigger bar requires replacing the complete assembly to revert to stock.
- **Safety Maintenance:** The center mounted pivoting safety maintains factory safety values. Ensure it operates correctly before use.
- **User Responsibility:** It is the user's responsibility to ensure that the product is installed correctly and used in accordance with these guidelines.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation.

2. Installation Steps:

- Remove the factory trigger from the trigger bar:
 - Carefully detach the factory trigger from the trigger bar. Note that this requires replacing the complete assembly to revert to stock.
- Install the Apex Tactical Action Enhancement Trigger:
 - Align the trigger with the trigger bar and securely attach it.
- Ensure the pivoting safety operates correctly:
 - Test the safety mechanism to confirm it functions as intended.

3. Usage Instructions:

- Use the trigger only in compatible Glock® models.
- Practice safe handling techniques when operating your firearm.
- Regularly check the trigger's functionality and safety features before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling components where possible.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the Apex Tactical Action Enhancement Trigger, please refer to the manufacturer's contact point provided with your product documentation.

By adhering to these safety instructions, you can ensure the proper use and maintenance of your Apex Tactical Action Enhancement Trigger for Glock®. Always prioritize safety and responsibility when handling firearms.
