

ACTION ENHANCEMENT KIT FOR GLOCK® - APEX TACTICAL SPECIALTIES INC ACTION ENHANCEMENT KIT FOR GLOCK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Provided Precision Enhancement of Your Favorite Glock

The Apex Action Enhancement Kit for Glock pistols offers Glock pistol owners a chance to improve a number of qualities in their Glock's trigger pull. The Apex Action Enhancement Kit for Glock pistols directly replaces Glock's factory polymer trigger, and the new design works to improve overall trigger travel, smoothen the pull, provide a clean trigger break and produce a more tactile reset. Built for competition use Features red finish Reduces trigger pull by about 1 pound Factory-implemented safeties are still in place The Apex Action Enhancement Kit for Glock pistols fits Glock G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34 and G35 pistol models. NOT FOR USE IN GEN 5 GLOCKS

Action Enhancement Kit for Glock® Safety Instruction Guide

Introduction

Thank you for choosing the Apex Action Enhancement Kit for Glock pistols. This guide provides important safety information to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety alerts through the EU Safety Gate platform.
- If you encounter any unsafe products or accidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Always verify that the firearm is unloaded before installing the Action Enhancement Kit.
- Do not attempt to modify the product beyond the manufacturer's specifications.
- Ensure that all installation steps are followed precisely to avoid any malfunctions.
- Be aware that the product is designed for specific Glock models (G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, and G35) and is NOT compatible with Gen 5 Glock models.
- Use the product only in a safe and controlled environment.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation.
- Ensure you are in a safe, welllit area.

2. Installation Steps

- Remove the factory polymer trigger from your Glock pistol.
- Carefully insert the Apex Action Enhancement Kit into the trigger assembly.
- Ensure all components are seated correctly and securely.
- Reassemble the trigger assembly and ensure it functions properly before use.

3. Testing

- After installation, conduct a function check to ensure the trigger operates smoothly.
- Test the trigger pull and reset to confirm improvements in performance.

4. Usage

- Always handle your firearm with care and follow all safety protocols.
- Regularly inspect the trigger for any signs of wear or damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If you need to dispose of the product itself, check with local authorities for proper disposal methods to

minimize environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding the Apex Action Enhancement Kit for Glock, please refer to the manufacturer's website or customer service resources. It is important to have access to reliable support for any questions or concerns related to product safety and usage.

Thank you for following these safety instructions. Your safety is our priority. Enjoy improved performance with your Apex Action Enhancement Kit for Glock pistols.
