

AR-15 TRIGGER GUARDS COMPOSITE - B5 SYSTEMS TRIGGER GUARD BLACK COMPOSITE

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

The Trigger Guard offers a drop in upgrade over the standard AR trigger guard. The enlarged profile allows for glove use in cold weather or tactical operations. The trigger guard also maintains the original swing down function for use with heavier gloves though not with the spring loaded plunger, you must remove or screw in the provided retaining screw. It is a set screw attachment pin, not a spring loaded pin.

Attributes

- Name: [B5 SYSTEMS TRIGGER GUARD BLACK COMPOSITE](#)
- Manufacturer: [B5 SYSTEMS](#)
- Product no.: 100020712

Safety Instruction Guide for AR15 Trigger Guards Composite B5 Systems Trigger Guard

Introduction

Thank you for choosing the AR15 Trigger Guards Composite B5 Systems Trigger Guard. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always handle firearms with care, treating every firearm as if it is loaded.
- Keep the trigger guard and surrounding areas clean and free from obstructions.
- Inspect the trigger guard regularly for signs of wear or damage.
- Store the trigger guard in a safe and secure location when not in use.
- Follow all local laws and regulations regarding firearm modifications and accessories.

Specific Safety Precautions for Use

- This trigger guard is designed for use with AR15 platforms only. Do not attempt to use it with other firearms.
- The enlarged profile allows for glove use; however, ensure that gloves do not interfere with the operation of the trigger.
- When installing or removing the trigger guard, ensure the firearm is unloaded and pointed in a safe direction.
- Use caution when handling the retaining screw, as improper handling may lead to injury.
- If you experience any difficulties during installation or use, consult a qualified gunsmith for assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools: a screwdriver and the provided retaining screw.

2. Installation:

- Remove the existing trigger guard by unscrewing it from the lower receiver of the AR15.
- Align the B5 Systems Trigger Guard with the mounting holes on the lower receiver.
- Insert the set screw attachment pin into the designated hole.
- Secure the trigger guard in place by tightening the provided retaining screw. Ensure it is snug but do not overtighten.

3. Usage:

- After installation, verify that the trigger guard is securely attached.
- Test the swingdown function to ensure it operates smoothly.
- Use the trigger guard with gloves as needed for cold weather or tactical operations, ensuring that gloves do not obstruct trigger function.

4. Maintenance:

- Regularly check the trigger guard for tightness and any signs of wear.
- Clean the trigger guard with a suitable firearm cleaning solution when necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste. Instead, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult with a qualified firearms expert or your local dealer. Always ensure compliance with local laws and regulations regarding firearm modifications and accessories.

Thank you for your attention to these safety guidelines. Your safety is our priority.
