

# MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS

## GLOCK® 19 IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

# Safety Instruction Guide for MORRIGAN IWB HOLSTERS

## Introduction

Thank you for choosing the Morrigan IWB Holster by Raven Concealment Systems. This guide provides important safety information and instructions for the safe use, installation, and disposal of the holster. Please read this guide carefully to ensure proper handling and to maintain safety standards.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Do not use the holster with a loaded firearm unless you are trained and authorized to do so.
- Regularly inspect the holster for wear and tear. Replace it if any damage is found.
- Keep the holster out of reach of children and unauthorized individuals.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may degrade the material.
- Familiarize yourself with local laws and regulations regarding the carrying of firearms.

## Specific Safety Precautions for Use

- Ensure that the holster is properly adjusted for your body type to achieve optimal concealment and comfort.
- When adjusting retention, do so carefully to ensure that the firearm is securely held but can still be drawn quickly when needed.
- Be aware of your surroundings when carrying a concealed firearm to avoid accidental exposure.
- Always use a proper belt to secure the holster and prevent it from shifting during movement.
- If you experience discomfort while wearing the holster, adjust the position or consider alternative carrying methods.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the holster to your belt using the included IWB soft loops.
- Adjust the ride height and cant of the holster to your preference for comfort and accessibility.
- Ensure that the holster is positioned on or behind the blade of the hip for optimal concealment.

### 2. Usage:

- Before inserting the firearm, ensure it is unloaded and the safety is engaged.
- Carefully insert the firearm into the holster, ensuring that it is fully seated and secure.
- Adjust the retention as necessary using the 360degree Velcro wrap to achieve a secure fit.
- Practice drawing the firearm from the holster in a safe environment to become accustomed to the holster's retention and draw speed.
- Always reholster the firearm with the muzzle pointed in a safe direction.

## Disposal Instructions

- When disposing of the holster, ensure that it is no longer usable to prevent unauthorized use.
- Follow local regulations for the disposal of synthetic materials.
- Consider recycling options if available, or dispose of the holster in regular waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, product usage, or warranty claims, please refer to the manufacturer's website or customer service.

By following these guidelines, you can ensure the safe and effective use of your Morrigan IWB Holster. Thank you for prioritizing safety and responsible firearm handling.
