

# AR UPPER RECEIVER,CHAMBER AND BUFFER TUBE ROD - TCS AR UPPER RECEIVER, CHAMBER AND BUFFER TUBE ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

The Upper Receiver, Chamber and Buffer Tube Rod is designed to be used to clean the upper receiver, bolt channel, the chamber and the lower receivers buffer tube of the AR-15 platform firearm, when used in conjunction with the upper receiver and buffer tube Jag, Patches and AR-15 Chamber Brush. The 16" shaft provides adequate clearance to clean the buffer tube on an A2 and keep the hand out of the way of the lower receiver. Threaded for both the 5/16 x 27 tpi and the 8 x 32 tpi, standard firearms industry cleaning threads. The solid aluminum shaft is fitted to the handle and does not turn allowing the rod to be used to rotate the chamber brush for fast cleaning of the chamber. Plastic Handle Aluminum Shaft Buffer tube 5/16x27 & 8x32 TPI non rotating

## Attributes

- Name: [TCS AR UPPER RECEIVER, CHAMBER AND BUFFER TUBE ROD](#)
- Manufacturer: [TCS](#)

# Safety Instruction Guide for AR UPPER RECEIVER, CHAMBER AND BUFFER TUBE ROD

## Introduction

Thank you for choosing the AR UPPER RECEIVER, CHAMBER AND BUFFER TUBE ROD by TCS. This product is designed to assist in the cleaning of the upper receiver, bolt channel, chamber, and buffer tube of the AR15 platform firearm. It is important to follow safety guidelines and instructions to ensure safe and effective use of this cleaning tool.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before using this cleaning rod.
- Keep the cleaning rod and all cleaning accessories out of reach of children.
- Use the product only for its intended purpose, as described in the product specifications.
- Inspect the cleaning rod for any signs of damage before use. Do not use if damaged.
- Follow local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear protective eyewear when cleaning your firearm to prevent debris from entering your eyes.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning rod.
- Ensure that the cleaning rod is securely attached to the handle during use.
- Do not leave the cleaning rod unattended while in use.
- Be cautious of sharp edges and components during the cleaning process.
- If using cleaning solvents, ensure proper ventilation in the area to avoid inhalation of fumes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the AR15 Chamber Brush, patches, and the upper receiver and buffer tube Jag.

### 2. Assembly:

- Attach the solid aluminum shaft of the cleaning rod to the handle, ensuring it is secure.
- Verify that the rod is not rotating independently of the handle.

### 3. Cleaning Process:

- Insert the cleaning rod into the upper receiver or buffer tube, ensuring it fits properly.
- Use the 5/16 x 27 tpi or 8 x 32 tpi threaded end as necessary for your cleaning accessories.
- Rotate the chamber brush while the rod remains stationary to clean the chamber effectively.
- Remove any debris using patches as needed.

### 4. PostCleaning:

- After cleaning, remove the cleaning rod and any attached accessories.
- Clean the rod with a suitable solvent to remove any residue before storing.

## **Disposal Instructions**

- Dispose of any used patches, cleaning solvents, or other materials in accordance with local waste disposal regulations.
- The cleaning rod itself can be recycled where facilities exist. Check with local recycling guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's website or contact their customer support.

By following these safety instructions, you can ensure a safe and efficient cleaning experience with the AR UPPER RECEIVER, CHAMBER AND BUFFER TUBE ROD. Thank you for your attention to these important guidelines.
