

# "VICTORY" TRIGGER FOR BROWNING BUCKMARK - TANDEMKROSS

## "VICTORY" TRIGGER BROWNING BUCKMARK- TEXTURED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The trigger of any firearm is critical and must give the shooter as much control as possible. The sleek, skeletonized, and lightweight design of the TANDEMKROSS "Victory" trigger provides a flat face that many shooting pros prefer as opposed to the traditional curved triggers commonly seen in the Ruger MKIII 22/45 market. This design allows the shooter to pull straight back instantly providing the operator with the ability to tell if they are pulling too far to the left or the right. The flat faced design also allows the operator to place their finger lower down on the trigger, increasing leverage and enabling them to take full advantage of lower trigger pull weights. The wide face distributes the weight of the trigger pull which also results in a perception of a lower pull weight. The textured version provides a no slip surface regardless of speed, weather or shooting experience. This allows repeatable, near identical trigger pull movements. Coupled with the provided pre-travel and over-travel fine adjustment screws, this TANDEMKROSS exclusive trigger will bring any competitor a giant step closer to VICTORY! Flat faced for better control and feel 100% Adjustable for pretravel and overtravel Lightweight skeletonized design

### Attributes

- Name: [TANDEMKROSS "VICTORY" TRIGGER BROWNING BUCKMARK- TEXTURED](#)
- Manufacturer: [TANDEMKROSS](#)
- Product no.: 100020912
- Mfr. No.: TK12N0108BLK1

# VICTORY Trigger for Browning Buckmark Safety Instruction Guide

## Introduction

Thank you for choosing the VICTORY Trigger for Browning Buckmark. This guide provides essential safety instructions to ensure the safe use and maintenance of your trigger. By following these guidelines, you can enhance your shooting experience while prioritizing safety.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Use only the correct ammunition for your firearm.
- Ensure that the trigger is installed correctly and securely before use.
- Regularly inspect the trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Avoid using the trigger in wet or slippery conditions to maintain control.
- Use proper shooting stance and grip to enhance stability and control.
- Adjust the trigger settings only when the firearm is pointed in a safe direction.
- Do not allow anyone who is not trained in firearm safety to use the firearm equipped with this trigger.
- Be cautious when making adjustments to the trigger, as improper settings can lead to unintended discharges.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Confirm that the firearm is completely unloaded.
2. **Gather Tools:** Have the necessary tools ready for installation (e.g., screwdrivers).
3. **Remove Old Trigger:** Carefully remove the existing trigger from the firearm, following the manufacturer's instructions.
4. **Install VICTORY Trigger:**
  - Align the VICTORY Trigger with the designated mounting points.
  - Securely fasten the trigger using the provided screws.
5. **Adjust Settings:** Use the pretravel and overtravel adjustment screws to customize the trigger pull according to your preference.
6. **Test Functionality:** Ensure the trigger functions correctly by performing a dry fire test in a safe environment.

### Usage Instructions

- Grip the firearm firmly and assume a stable shooting position.
- Place your finger on the flat face of the trigger, ensuring proper alignment.
- Pull the trigger straight back with controlled pressure.
- Observe the trigger's response and adjust your technique as necessary.
- Regularly practice to become familiar with the trigger's characteristics and performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local laws and regulations.
- If the trigger is damaged or no longer in use, consider recycling options where available.
- Do not dispose of the trigger in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the VICTORY Trigger, please consult your local dealer or the manufacturer's website for assistance. It is important to have access to reliable support for any issues that may arise.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your VICTORY Trigger for Browning Buckmark. Always prioritize safety and responsible firearm handling.
