

KINGTUK HOLSTERS - GALCO INTERNATIONAL KINGTUK SIG SAUER P226/P229-BLACK-LEFT HAND

[Home](#)

Inside the waistband holster combines easy concealment and secure, all-day comfort. Durable, yet breathable saddle leather backing panel rests against the body, with a supple Napa leather outer covering that makes it easy to tuck your shirt smoothly over the holster. Rugged Kydex® holster pocket holds its shape and maintains a snug grasp on the gun. Spring steel clips attach the holster to your belt and let you set the carry height and angle you prefer. Does not fit California-compliant versions of the S&W M&P Shield. Fits belts up to 1.75" wde

Safety Instruction Guide for KINGTUK Holsters by Galco International

Introduction

Thank you for choosing the KINGTUK Holster for your Sig Sauer P226/P229. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Sig Sauer P226/P229).
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Regularly inspect the holster for wear and damage. Do not use if any part is compromised.
- Follow all local laws and regulations regarding firearm carry and use.

Specific Safety Precautions for Use

- **Concealment:** The KINGTUK holster is designed for inside-the-waistband carry. Ensure that it is positioned correctly to avoid accidental exposure.
- **Comfort:** Adjust the carry height and angle to ensure comfort and accessibility. If the holster feels uncomfortable, reevaluate its positioning.
- **Retention:** Ensure that the firearm is securely seated in the Kydex pocket of the holster. A snug fit will help prevent accidental dislodging.
- **Clips:** Ensure that the spring steel clips are securely attached to your belt. Regularly check for any signs of wear or damage.
- **Avoid Overloading:** Do not attach additional items to the holster that may interfere with its function or safety.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate belt for use with the holster. The holster fits belts up to 1.75 inches wide.
- Attach the spring steel clips to your belt, ensuring they are secure and properly aligned.

2. Usage:

- Position the holster inside your waistband at your preferred carry position.
- Ensure that the firearm is inserted into the Kydex pocket with the trigger guard fully covered.
- Adjust the angle and height of the holster as needed for comfort and accessibility.
- When drawing your firearm, ensure that your hand does not come into contact with the trigger until you are ready to fire.

3. Maintenance:

- Periodically clean the leather backing and Kydex pocket with a soft cloth to remove dirt and moisture.
- Store the holster in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the holster responsibly when it is no longer needed or if it has reached the end of its usable life.
- Check with local regulations regarding the disposal of leather and synthetic materials.
- Do not burn the holster, as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns about the KINGTUK Holster, please contact the manufacturer's customer service or consult their official website for additional resources and support.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safer experience with your KINGTUK Holster.
