

FRONT POCKET HOLSTERS - GALCO INTERNATIONAL FRONT POCKET HOLSTER KAHR PM9-TAN

[Home](#)

While limiting the carrier to a relatively small handgun, pocket carry offers some unique advantages. Not only is the handgun completely covered and concealed, but the gun carrier can casually place a hand on the holstered/pocketed pistol if a nonspecific threat materializes – and the fastest draw is to have the gun already in hand. This premium horsehide pocket holster is designed for front pocket carry in pants or a jacket. It keeps the firearm in the same general position so you can quickly locate the grip when you need to draw. It also conceals the shape of the gun so that its outline is not printed through the pants. Lastly, it allows one-handed release of gun from both pocket and holster. The holster accomplishes this by hooking and catching one of two leather hooks on the top of the holster into your pocket corner when you draw your firearm. With practice (using an unloaded firearm) you can draw the firearm while the holster remains in your pocket or falls away (in the proper pants). It's made with smooth leather inside against the gun for easy release and the rough side out against the pocket, for retention of holster in the pocket. The Front Pocket Horsehide Holster is ambidextrous and available in natural finish. The holster should always be removed from the pocket when holstering the handgun.

Specific Safety Precautions for Use

- **Holstering:** Always remove the holster from your pocket before holstering the handgun. This ensures proper placement and function.
- **Drawing the Firearm:** Practice drawing the firearm with an unloaded gun to become familiar with the holster's mechanism.
- **Retention:** Ensure the holster is securely positioned in your pocket to avoid accidental dislodging when drawing.
- **Ambidextrous Use:** This holster is designed for ambidextrous use; however, practice drawing with your dominant hand for efficiency.
- **Age Restrictions:** This product is intended for adult users only. Do not allow children to handle the holster or firearm.

Instructions for Installation and Usage

1. **Check Compatibility:** Ensure the holster is suitable for the Kahr PM9 model.
2. **Insert the Handgun:**
 - Carefully insert the handgun into the holster.
 - Ensure the firearm is completely covered and secured within the holster.
3. **Position the Holster:**
 - Place the holster in your front pocket or jacket pocket.
 - Adjust the position to ensure the grip is easily accessible.
4. **Drawing the Firearm:**
 - To draw the firearm, hook one of the leather hooks on the holster into the pocket corner.
 - Practice drawing with an unloaded firearm to ensure smooth operation.
5. **Holstering:**
 - Always remove the holster from your pocket before placing the handgun back into it.
 - Ensure the firearm is unloaded before holstering.

Disposal Instructions

- **Environmental Considerations:** Dispose of the holster in accordance with local regulations regarding leather products.

- **NonHazardous Waste:** The holster is made of leather and can typically be disposed of with nonhazardous waste.
- **Recycling Options:** Consider recycling options for leather products in your area to minimize environmental impact.
