

TRITON HOLSTERS - GALCO INTERNATIONAL TRITON S&W M&P 9/40-BLACK-RIGHT HAND

[Home](#)

Constructed of durable, virtually maintenance-free Kydex®, the Triton™ is fast, thin and easy to conceal. The belt clip offers quick on and off capability, while the sweat guard protects both gun and gun carrier. The firm holster body allows a smooth and easy return to the holster after the draw, while the raised sweat guard protects the pistol from corrosive perspiration – and also protects your skin from hard steel! Constructed of Kydex, the Triton is available in black and fits belts up to 1 3/4". WARNING: The Triton does not function with M&P pistols with manual thumb safeties.

Safety Instruction Guide for TRITON HOLSTERS GALCO INTERNATIONAL TRITON S&W M&P 9/40BLACKRIGHT HAND

Introduction

Thank you for choosing the TRITON HOLSTERS GALCO INTERNATIONAL TRITON for your Smith & Wesson M&P 9/40. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your holster. Please read this document carefully to understand how to use your product safely and responsibly.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model. The Triton holster does not function with M&P pistols that have manual thumb safeties.
- Always handle your firearm with care and follow all safety protocols related to firearms.
- Store the holster and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the holster for wear and tear to ensure it remains in good condition.
- If you notice any damage or malfunction, discontinue use immediately and seek a replacement.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before placing it in the holster.
- Be aware of your surroundings when drawing or reholstering your firearm.
- The sweat guard is designed to protect both the firearm and the user. Ensure it is properly positioned to avoid skin irritation.
- The holster is designed for righthanded users. Ensure proper orientation before use.
- Avoid exposing the holster to extreme temperatures or harsh chemicals, as this may degrade the Kydex material.

Instructions for Installation and Usage

1. Installation:

- Slide the belt clip onto your belt, ensuring it is secure and positioned comfortably.
- Adjust the holster's position on your belt to find the most comfortable draw angle.

2. Usage:

- Ensure your firearm is unloaded before placing it in the holster.
- Insert the firearm into the holster with the muzzle facing down and the grip accessible.
- Ensure the firearm is fully seated in the holster and that the retention is secure.
- To draw the firearm, grasp the grip firmly and pull upwards while simultaneously removing the holster from your belt if necessary.
- After use, reholster the firearm carefully, ensuring it is pointed in a safe direction.

Disposal Instructions

- When disposing of the holster, follow local regulations regarding plastic and synthetic materials.
- Do not burn the holster, as it may release harmful fumes.
- Consider recycling the Kydex material if facilities are available in your area.

Contact Information for Further Support

For any safety inquiries or concerns related to the TRITON HOLSTERS GALCO INTERNATIONAL TRITON, please refer to the official website or contact the manufacturer directly. Ensure you have your product details ready for efficient assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your TRITON HOLSTERS GALCO INTERNATIONAL TRITON. Always prioritize safety when handling firearms and holsters. Thank you for your attention to these important safety measures.
