

TRITON HOLSTERS - TRITON GLOCK® 17-BLACK-RIGHT HAND

[Home](#)

Constructed of durable, virtually maintenance-free Kydex®, the Triton™ is fast, thin and easy to conceal. The belt clip offers quick on and off capability, while the sweat guard protects both gun and gun carrier. The firm holster body allows a smooth and easy return to the holster after the draw, while the raised sweat guard protects the pistol from corrosive perspiration – and also protects your skin from hard steel! Constructed of Kydex, the Triton is available in black and fits belts up to 1 3/4". WARNING: The Triton does not function with M&P pistols with manual thumb safeties.

Safety Instruction Guide for TRITON HOLSTERS TRITON GLOCK® 17BLACKRIGHT HAND

Introduction

Thank you for choosing the TRITON HOLSTERS TRITON GLOCK® 17BLACKRIGHT HAND. This holster is designed to provide a safe and effective way to carry your Glock 17. Please read this safety instruction guide carefully to ensure proper use and maintenance of your holster.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of your firearm.
- Always treat your firearm as if it is loaded.
- Store your holster and firearm in a safe location, out of reach of children and unauthorized users.
- Regularly inspect your holster for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm carry and storage.

Specific Safety Precautions for Use

- The Triton holster is designed exclusively for Glock 17 models. It is not compatible with M&P pistols that have manual thumb safeties.
- Always ensure that your firearm is unloaded before inserting it into the holster.
- Use the belt clip to securely attach the holster to your belt. Ensure it is fastened correctly to prevent accidental removal.
- Be cautious when drawing your firearm from the holster to avoid accidental discharge.
- The raised sweat guard protects both your firearm and your skin from perspiration. Ensure that it is positioned correctly against your body for maximum protection.
- Avoid exposing the holster to extreme temperatures or harsh chemicals, as this may affect its performance and integrity.

Instructions for Installation and Usage

1. Installation:

- Select a belt that is compatible with the Triton holster, with a width of up to 1 3/4 inches.
- Attach the belt clip of the holster to your belt, ensuring it is secure and stable.
- Position the holster in a comfortable location on your body, typically inside the waistband.

2. Usage:

- Before inserting your firearm, ensure it is unloaded.
- Carefully slide your Glock 17 into the holster, ensuring it fits snugly.
- When ready to draw, grip the firearm firmly and pull it straight out of the holster.
- After use, return the firearm to the holster carefully, ensuring it is properly seated.

Disposal Instructions

- Dispose of the holster responsibly at the end of its life cycle.
- Do not throw the holster in regular waste. Check local regulations for proper disposal methods.
- If the holster is damaged or worn, consider recycling the materials where applicable.

Contact Information for Further Support

For any inquiries regarding the TRITON HOLSTERS TRITON GLOCK® 17BLACKRIGHT HAND, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your TRITON HOLSTERS TRITON GLOCK® 17BLACKRIGHT HAND. Always prioritize safety and stay informed about the best practices for firearm handling and storage. Thank you for your attention to these important guidelines.
