

# TRITON HOLSTERS - GALCO INTERNATIONAL TRITON SIG SAUER P226-BLACK-RIGHT HAND

[Home](#)

Constructed of durable, virtually maintenance-free Kydex®, the Triton™ is fast, thin and easy to conceal. The belt clip offers quick on and off capability, while the sweat guard protects both gun and gun carrier. The firm holster body allows a smooth and easy return to the holster after the draw, while the raised sweat guard protects the pistol from corrosive perspiration – and also protects your skin from hard steel! Constructed of Kydex, the Triton is available in black and fits belts up to 1 3/4". WARNING: The Triton does not function with M&P pistols with manual thumb safeties.

# TRITON HOLSTERS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the TRITON HOLSTER by GALCO INTERNATIONAL for your Sig Sauer P226. This safety instruction guide provides essential safety information and guidelines to ensure the safe use of your holster. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the holster is compatible with your firearm model, specifically the Sig Sauer P226.
- Always handle firearms with care and follow standard firearm safety protocols.
- Ensure the holster is securely attached to your belt before use.
- Regularly inspect the holster for wear and tear or any damage.
- Store the holster and firearm in a safe location, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Compatibility Warning:** The Triton holster does not function with M&P pistols that have manual thumb safeties.
- **Sweat Guard:** The raised sweat guard protects both the firearm and your skin. Always ensure it is positioned correctly to avoid discomfort.
- **Belt Compatibility:** The holster fits belts up to 1 3/4". Ensure your belt meets this requirement for optimal use.
- **Concealment:** The Triton is designed for insidethewaistband carry. Ensure it is concealed properly to avoid accidental exposure.
- **Maintenance:** The Kydex material is virtually maintenancefree; however, ensure it is clean and free from debris before use.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable belt that is compatible with the holster (up to 1 3/4").
- Slide the belt clip onto your belt, ensuring it is secure and positioned for easy access.

### 2. Usage:

- Insert the firearm into the holster, ensuring it is seated properly.
- Adjust the holster position for comfort and accessibility.
- When drawing the firearm, maintain a firm grip and draw smoothly to avoid snagging.
- After use, return the firearm to the holster with care, ensuring it is fully seated.

## Disposal Instructions

- When disposing of the holster, ensure it is done in an environmentally responsible manner.
- Check local regulations for disposal of Kydex materials.
- If the holster is damaged or no longer needed, consider recycling options if available.

## Contact Information for Further Support

For any questions or concerns regarding the use of your TRITON HOLSTER, please contact the manufacturer or a

certified dealer. Always keep this guide for future reference, and ensure you are informed about any product recalls or safety updates.

Thank you for prioritizing safety and for your responsible use of the TRITON HOLSTER.
