

# COP 3 SLOT HOLSTERS - GALCO INTERNATIONAL COP 3 SLOT SIG SAUER P250-BLACK-LEFT HAND

[Home](#)

Galco's Cop 3 Slot™ holster is precision-molded and allows comfortable carry in both strong side and crossdraw positions. A tension screw adjustment near the trigger guard facilitates maximum firearm retention, while the rear sight is protected by a wide safety strap and reinforced thumb break. The low-cut design allows for easier, faster clearance of the firearm from the leather. The Cop 3 Slot is constructed of premium cowhide and fits belts up to 1 3/4".

# Safety Instruction Guide for COP 3 Slot Holster

## Introduction

Thank you for choosing the COP 3 Slot Holster by Galco International. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded when inserting or removing it from the holster.
- Store the holster in a safe place, away from children and unauthorized users.
- Regularly inspect your holster for wear and tear. Replace it if any damage is found.
- Use the holster only for its intended purpose, which is to carry a Sig Sauer P250.
- Be aware of your surroundings and ensure that the firearm is properly secured in the holster before moving.

## Specific Safety Precautions for Use

- Ensure the tension screw adjustment is properly set to maintain maximum firearm retention.
- Use the safety strap and thumb break to secure the firearm when not in use.
- Avoid using the holster while engaging in activities that may cause excessive movement or impact, which could dislodge the firearm.
- Do not modify the holster in any way, as this could compromise its safety features.
- If you experience any difficulty with the holster, such as improper fit or retention issues, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Fitting the Holster:

- Slide the holster onto your belt, ensuring that it is positioned comfortably on your strong side or in the crossdraw position.
- Adjust the holster so that it is secure and does not shift during movement.

### 2. Adjusting the Tension:

- Locate the tension screw near the trigger guard.
- Use a suitable tool to adjust the tension according to your preference for firearm retention. Ensure it is snug but not overly tight.

### 3. Inserting the Firearm:

- Ensure the firearm is unloaded.
- Gently slide the firearm into the holster, ensuring it is seated properly and securely.

### 4. Removing the Firearm:

- Unfasten the safety strap and thumb break.
- Grasp the firearm firmly and pull it straight out of the holster.

### 5. Cleaning and Maintenance:

- Clean the holster with a damp cloth to remove dirt and debris.
- Allow the holster to dry completely before storage. Do not use harsh chemicals or solvents.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged or no longer usable, consider recycling the materials where possible.
- Ensure that any firearmrelated items are disposed of safely and securely.

## **Contact Information for Further Support**

For any inquiries regarding the COP 3 Slot Holster, please refer to the manufacturer's contact information found on the product packaging or visit the manufacturer's official website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your COP 3 Slot Holster. Always prioritize safety and proper handling of your firearm. Thank you for your commitment to responsible firearm ownership.
