

# COP 3 SLOT HOLSTERS - GALCO INTERNATIONAL COP 3 SLOT KAHR K40-BLACK-RIGHT HAND

[Home](#)

Galco's Cop 3 Slot™ holster is precision-molded and allows comfortable carry in both strong side and crossdraw positions. A tension screw adjustment near the trigger guard facilitates maximum firearm retention, while the rear sight is protected by a wide safety strap and reinforced thumb break. The low-cut design allows for easier, faster clearance of the firearm from the leather. The Cop 3 Slot is constructed of premium cowhide and fits belts up to 1 3/4".

## Attributes

- Name: [GALCO INTERNATIONAL COP 3 SLOT KAHR K40-BLACK-RIGHT HAND](#)
- Manufacturer: [GALCO INTERNATIONAL](#)

# Safety Instruction Guide for COP 3 Slot Holster

## Introduction

Thank you for choosing the COP 3 Slot Holster by Galco International. This guide provides essential safety instructions to ensure the safe use of your holster. Please read this guide carefully before using the product to understand the safety precautions and proper usage.

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Kahr K40).
- Always keep the holster and firearm away from children and unauthorized users.
- Regularly inspect the holster for signs of wear or damage.
- Do not use the holster if it shows signs of damage or malfunction.
- Make sure that the firearm is unloaded when inserting or removing it from the holster.
- Always follow local laws and regulations regarding firearm carry.

## Specific Safety Precautions for Use

- **Tension Screw Adjustment:** Adjust the tension screw near the trigger guard for maximum firearm retention. Ensure it is secure before carrying.
- **Safety Strap:** Always engage the safety strap and thumb break when carrying the firearm in the holster.
- **Crossdraw Position:** When using the crossdraw position, ensure that you have adequate space around you to avoid accidental discharge.
- **Strong Side Carry:** When carrying on the strong side, ensure that your clothing does not obstruct the firearm's draw path.
- **LowCut Design:** Be cautious when drawing the firearm, as the lowcut design allows for faster clearance but requires careful handling.

## Instructions for Installation and Usage

### 1. Fitting the Holster:

- Ensure the holster fits securely on your belt, which should not exceed 1 3/4 inches in width.
- Position the holster on your hip for strong side carry or across your body for crossdraw carry.

### 2. Inserting the Firearm:

- Ensure the firearm is unloaded.
- Gently slide the firearm into the holster, ensuring it is fully seated.
- Adjust the tension screw if the fit is too loose or too tight.

### 3. Drawing the Firearm:

- Grasp the holster firmly with one hand.
- Use your other hand to disengage the safety strap and thumb break.
- Smoothly draw the firearm upward while maintaining control.

### 4. Reholstering:

- Always ensure the firearm is unloaded before reholstering.
- Carefully slide the firearm back into the holster, ensuring it is fully seated.
- Engage the safety strap and thumb break after reholstering.

## **Disposal Instructions**

- Dispose of the holster responsibly in accordance with local waste disposal regulations.
- If the holster is damaged beyond use, consider recycling it if possible, or dispose of it in a manner that prevents unauthorized use.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your COP 3 Slot Holster. Always prioritize safety when handling firearms and remain informed about best practices and local regulations. Thank you for your attention to safety.
