## DUAL ACTION OUTDOORSMAN S&W X FRAME 500 4" -TAN-RIGHT HAND

[Home](#)

The Dual Action Outdoorsman holster is great for field carry whether hunting or for peace of mind in bear country. The DAO™ can be worn strong side or crossdraw at the user's discretion. The holster employs a retention strap for simplicity and security in the brush. The retention strap has a large polymer tab to aid in snapping and unsnapping with a gloved hand. Tension screw adjustments allow for a custom fit to your revolver. Constructed of premium saddle leather, the DAO fits belts up to 1 3/4".

# Dual Action Outdoorsman Holster Safety Instructions

## Introduction

Thank you for choosing the Dual Action Outdoorsman Holster by Galco International. This holster is designed for safe and effective carry of your Smith & Wesson X Frame 500 4" revolver. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that your firearm is unloaded when inserting or removing it from the holster.
- Inspect the holster regularly for signs of wear or damage. Do not use the holster if it is compromised.
- Keep the holster away from children and unauthorized users.
- Always store your firearm in a secure location when not in use.
- Be aware of your surroundings and ensure that the holster is properly secured before engaging in any outdoor activities.

## Specific Safety Precautions for Use

- The retention strap should always be securely fastened when carrying your firearm to prevent accidental release.
- Adjust the tension screw to ensure a snug fit for your revolver, preventing it from shifting during movement.
- When using the holster in a crossdraw position, ensure that the firearm is easily accessible while maintaining safe handling practices.
- Avoid wearing the holster in situations where it may become entangled or caught on objects.
- Always practice safe handling techniques when drawing or reholstering your firearm.

## Instructions for Installation and Usage

### 1. Wearing the Holster:

- Choose your preferred carry position: strong side or crossdraw.
- Slide the holster onto your belt, ensuring it is securely positioned on your hip.
- Adjust the retention strap by snapping it closed over the firearm.

### 2. Adjusting the Tension:

- Locate the tension screw on the holster.
- Use a screwdriver to turn the tension screw clockwise to increase tension or counterclockwise to decrease tension.
- Test the fit with your revolver to ensure it is secure but not overly tight.

### 3. Using the Retention Strap:

- To release the firearm, grasp the polymer tab on the retention strap and pull it away from the holster.
- With your other hand, draw the firearm smoothly from the holster.
- To secure the firearm back in the holster, slide it in and snap the retention strap closed over it.

## **Disposal Instructions**

- When disposing of the holster, ensure that it is done in an environmentally friendly manner.
- If the holster is damaged beyond repair, consider recycling the leather material where possible.
- Do not dispose of the holster in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dual Action Outdoorsman Holster, please refer to the product packaging for contact information. Ensure you have the model and serial number available for any inquiries.

By following these safety instructions, you will ensure a safe and enjoyable experience with your Dual Action Outdoorsman Holster. Always prioritize safety and responsible firearm handling.
