

SINGLE ACTION OUTDOORSMAN HOLSTERS - GALCO INTERNATIONAL SINGLE ACTION OUTDOORSMAN RUGER® SPR BLKHK® 7 1/2" -TAN-LH

[Home](#)

The Single Action Outdoorsman holster is great for field carry whether hunting or for peace of mind in bear country. The SAO™ can be worn strong side or crossdraw at the user's discretion. The holster employs a retention strap for simplicity and security in the brush. Tension screw adjustments allow for a custom fit to your revolver. Constructed of premium saddle leather, the SAO fits belts up to 1 3/4". Made for single-action revolvers, the Single Action Outdoorsman is available in right and left hand designs in tan.

Safety Instruction Guide for the Single Action Outdoorsman Holster

Introduction

Thank you for choosing the Single Action Outdoorsman Holster by Galco International. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the holster is suitable for your specific model of singleaction revolver.
- Always check for any visible damage or wear before use.
- Store the holster in a safe place when not in use, away from children and pets.
- Be aware of your surroundings when carrying your firearm in the holster.
- Follow all local laws and regulations regarding the carrying of firearms.

Specific Safety Precautions for Use

- **Retention Strap:** Always secure the retention strap when the firearm is in the holster to prevent accidental release.
- **Tension Adjustments:** Adjust the tension screw to ensure a snug fit for your revolver. A loose fit may lead to the firearm falling out, while an overly tight fit may hinder quick access.
- **Belt Compatibility:** Ensure your belt is compatible with the holster, as it fits belts up to 1 3/4 inches wide.
- **Crossdraw Position:** If wearing the holster in a crossdraw position, practice drawing the firearm in a safe environment to ensure comfort and safety.

Instructions for Installation and Usage

1. Fitting the Holster:

- Slide the holster onto your belt, ensuring it is positioned comfortably on your hip.
- Adjust the tension screw as needed for a secure fit for your revolver.

2. Securing the Firearm:

- Place your revolver into the holster.
- Ensure the retention strap is properly fastened over the firearm.

3. Drawing the Firearm:

- Practice drawing your firearm in a safe area to become familiar with the holster's operation.
- Always keep the muzzle pointed in a safe direction when drawing or reholstering.

4. Storage:

- When not in use, store the holster in a cool, dry place.
- Avoid exposing the holster to extreme temperatures or moisture, which may damage the leather.

Disposal Instructions

- When the holster reaches the end of its life cycle, dispose of it responsibly.

- If the holster is damaged beyond repair, it should be discarded in accordance with local waste disposal regulations.
- Consider recycling the leather if possible, or check for local programs that accept leather goods.

Contact Information for Further Support

For any safety inquiries or additional support regarding your Single Action Outdoorsman Holster, please refer to the manufacturer's contact information provided with your purchase or visit their official website.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Single Action Outdoorsman Holster. Always prioritize safety and compliance with local laws when carrying your firearm. Thank you for your attention to these important safety measures.
