AR-15 GEN II EXTENDED MAGAZINE RELEASE RED

[Rifle Parts](#) > [Receiver Parts](#) > [Magazine Parts](#) > [Magazine Releases](#)

An Extended Magazine Release Compatible With the Magpul BAD Lever

Though the first generation of the ODIN Works XMR Extended Magazine Release was a huge success, a large number of AR owners demanded a version of the release that was compatible with the Magpul BAD lever. Now, with the Gen II version of its XMR magazine release, ODIN Works is giving today's AR enthusiasts exactly what they asked for. Each ODIN Works XMR Extended Magazine Release is machined from 6061 aluminum and is designed to provide a larger, push-button surface area that makes releasing magazines faster and easier than ever before. This release features the ODIN boomerang cut, and installation takes only minutes. The release fits both AR-15 and AR 308 style rifles.

Safety Instruction Guide for AR15 GEN II Extended Magazine Releases

Introduction

Thank you for choosing the AR15 GEN II Extended Magazine Release from ODIN Works Inc. This guide provides important safety information and instructions for the proper use and installation of your product. Please read this guide carefully to ensure safe and effective operation.

General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 or AR 308 style rifle before installing or using the magazine release.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the magazine release and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the magazine release for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the AR15 GEN II Extended Magazine Release with compatible AR15 and AR 308 style rifles.
- Ensure that the firearm is unloaded before attempting to install or modify any components, including the magazine release.
- Do not attempt to modify the magazine release beyond its intended use as specified by the manufacturer.
- When using the magazine release, ensure that your fingers are clear of the ejection port and trigger area to prevent accidental discharge.
- If you experience any difficulty with the magazine release, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Tools:** Gather the necessary tools, including a screwdriver and any other tools specified in the product manual.
2. **Unload the Firearm:** Ensure that your AR15 or AR 308 rifle is completely unloaded and pointed in a safe direction.
3. **Remove the Old Magazine Release:**
 - Locate the existing magazine release on your rifle.
 - Carefully remove the old magazine release according to the manufacturer's instructions.
4. **Install the New Magazine Release:**
 - Align the new AR15 GEN II Extended Magazine Release with the mounting area.
 - Securely fasten the release in place using the appropriate screws and tools.
5. **Test the Installation:**
 - Once installed, ensure that the magazine release operates smoothly.
 - Check that the release provides a larger pushbutton surface area for easy use.

Usage Instructions

- To release the magazine, press the extended pushbutton surface area of the magazine release.
- Ensure that you are in a safe environment while practicing the use of the magazine release.

Disposal Instructions

- Dispose of any old magazine releases and packaging materials in accordance with local regulations.
- Do not dispose of firearm components in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please contact the manufacturer or consult the product manual. Ensure that you have the product details on hand for reference.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible use and handling of firearm components. Always prioritize safety and follow the instructions provided in this guide.
