

# VICKERS TACTICAL SLIDE RACKER - TANGODOWN VICKERS TACTICAL SLIDE RACKER-GLOCK® 9/40

[Handgun Parts](#) > [Slide Parts](#) > [Slide Hardware](#) > [Slide Rackers](#)

The GSR-03 adds subtle, but tractable serrated wings at the slide's end, to guarantee a positive cycling of ammunition into the weapon. No matter how adverse the conditions, or how tough the fight, you can always rely on the GSR-03 to keep your weapon up and running. Even if you're down to one hand, cycling the slide against your belt, holster or heel is quick and positive. Small or arthritic hands will find it much easier to use than the traditional 'slingshot' method. The GSR-03 is big enough to offer advantage, yet small enough to be unnoticeable in concealed carry holsters. The GSR-03 is a top quality drop-in part, requiring no other modifications to the firearm. Injection molded of glass-reinforced nylon with stainless steel reinforcement just like the OEM part, it replaces the striker retention plate in minutes. Once in place, the GSR-03 offers easy, effortless and positive slide cycling under any condition. Tough, stainless steel & injection molded glass reinforced nylon construction

## Attributes

- Name: [TANGODOWN VICKERS TACTICAL SLIDE RACKER-GLOCK® 9/40](#)
- Manufacturer: [TANGODOWN](#)
- Product no.: 100022685

# Vickers Tactical Slide Racker Safety Instructions

## Introduction

Thank you for choosing the Vickers Tactical Slide Racker for your Glock® firearm. The GSR03 is designed to enhance the ease of cycling your weapon's slide, ensuring reliable performance even in challenging conditions. This safety instruction guide provides essential information to ensure the safe use, installation, and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or using the Slide Racker.
- Always handle firearms with care, treating them as if they are loaded.
- Keep the Slide Racker and firearm out of reach of children and unauthorized users.
- Regularly inspect the Slide Racker for any signs of wear or damage.
- Do not use the Slide Racker if it appears to be damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm use and handling.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Proper Grip:** Always maintain a firm grip on the firearm when using the Slide Racker.
- **OneHanded Use:** The GSR03 is designed for onehanded operation; however, ensure that your other hand is safely positioned away from the slide and muzzle.
- **Environmental Conditions:** Be aware of your surroundings and ensure that you are in a safe environment when cycling the slide.
- **Training:** Familiarize yourself with the operation of the Slide Racker through proper training and practice.
- **Emergency Situations:** If you encounter any issues while using the Slide Racker, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Striker Retention Plate:**
  - Using a suitable tool, carefully remove the existing striker retention plate from the firearm.
3. **Install the GSR03:**
  - Position the GSR03 Slide Racker in place of the removed striker retention plate.
  - Press firmly until it is securely seated.
4. **Check Functionality:**
  - Ensure that the Slide Racker operates smoothly and does not interfere with the firearm's function.

### Usage Instructions

- To cycle the slide, grip the Slide Racker firmly and pull it back with a quick motion.
- You can use your belt, holster, or heel to assist in cycling the slide if using one hand.
- Practice using the Slide Racker in a safe environment to become proficient.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not throw the Slide Racker in regular household waste.

- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Vickers Tactical Slide Racker, please consult your local dealer or manufacturer's representative. Always ensure that you are following the latest safety guidelines and product updates.
