LIMITED ROTATION PUSH BUTTON BASES Safety Instructions

Introduction

Thank you for choosing the LIMITED ROTATION PUSH BUTTON BASES by GROVTEC US. This product is designed to enhance the functionality of your tactical slings by preventing twisting. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions as outlined in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended load limits of the product.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Ensure that all components are securely fastened before use.
- Do not modify the product in any way, as this may compromise safety.
- Always use appropriate personal protective equipment (PPE) when handling or using the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all necessary components before starting the installation.
- Choose a suitable location for installation that allows for safe and effective use.
- Follow these steps for installation:
 - Remove any existing attachments from the area where the push button bases will be installed.
 - Align the push button bases with the designated mounting points.
 - Securely fasten the bases using the provided screws or fasteners.
 - Check that the bases are firmly attached and do not wobble.

2. Usage:

- To use the LIMITED ROTATION PUSH BUTTON BASES:
 - Attach your tactical sling to the bases.
 - Ensure that the sling is properly secured and that there is no twisting.
 - Adjust the sling as necessary for comfort and functionality.
 - Regularly check the attachment points during use to ensure they remain secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any inquiries or further support regarding the LIMITED ROTATION PUSH BUTTON BASES, please refer to the contact information provided by the retailer or manufacturer at the time of purchase.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
