# Safety Instruction Guide for EXTRACTOR PLUNGER KE ARMS EXTRACTOR PLUNGER

## Introduction

Thank you for choosing the EXTRACTOR PLUNGER KE ARMS EXTRACTOR PLUNGER. This aftermarket Glock extractor plunger is designed for specific Glock models and is manufactured in the USA with a black Melonite coating for enhanced durability. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that you are using the product in accordance with the manufacturer's specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or replacing the extractor plunger.
- Use only compatible Glock models: 17, 19, 22, 23, 26, 27, 31, 32, 33, 34, and 40.
- Avoid using excessive force during installation to prevent damage to the plunger or firearm.
- Wear appropriate safety gear, such as protective eyewear, while handling firearms and accessories.
- Do not modify the extractor plunger or use it in a manner not intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather the necessary tools for installation, including a punch tool and a hammer.

### 2. Installation Steps:

- Remove the slide from the Glock firearm.
- Locate the existing extractor plunger and carefully remove it using the punch tool.
- Insert the new EXTRACTOR PLUNGER KE ARMS EXTRACTOR PLUNGER into the designated slot.
- Use the punch tool to secure the plunger in place, ensuring it is seated properly.
- Reassemble the slide and test the functionality of the extractor plunger.

### 3. Usage Tips:

- Regularly check the extractor plunger for proper function during routine firearm maintenance.
- If you experience any issues with the extractor plunger, consult a qualified gunsmith for assistance.

## Disposal Instructions

- Dispose of any old or damaged extractor plungers in accordance with local regulations.
- Do not dispose of the product in regular household waste; check for designated recycling or hazardous waste facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the EXTRACTOR PLUNGER KE ARMS EXTRACTOR PLUNGER, please refer to the official manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
