SLIDE SERVICE KIT FOR GLOCK® KE ARMS Safety Instruction Guide

Introduction

Thank you for purchasing the SLIDE SERVICE KIT FOR GLOCK® KE ARMS. This kit is designed to enhance the performance and safety of your Glock firearm. It includes essential components that require careful handling and installation. This guide provides important safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle your firearm with care and respect.
- Ensure the firearm is unloaded before performing any maintenance or installation.
- Use the SLIDE SERVICE KIT only as intended and in accordance with the manufacturer's instructions.
- Keep the kit and all its components out of reach of children and unauthorized users.
- Regularly inspect all components for wear or damage before use.
- In case of any doubts or uncertainties, consult a qualified gunsmith or firearms expert.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when working with firearms.
- Do not modify any components of the SLIDE SERVICE KIT unless directed by a qualified professional.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm maintenance and modifications.
- If you experience any malfunctions or irregularities while using your firearm, cease use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have a clean and welllit workspace.
- Gather all necessary tools and components from the SLIDE SERVICE KIT.

2. Installation Steps:

- **Channel Liner:**
 - Remove the old channel liner from the slide.
 - Install the new channel liner by gently pressing it into place.
- **Spring Cups:**
 - Replace the spring cups by removing the old ones and inserting the new ones from the kit.
- **Striker Spacer Sleeves:**
 - Remove the old striker spacer sleeves and install the new ones securely.
- **Striker Springs:**
 - Replace the striker springs by following the manufacturer's installation instructions.
- **Safety Plunger Springs:**
 - Remove the old safety plunger springs and install the new ones.
- **Extractor Plunger Springs:**
 - Replace the extractor plunger springs as per the instructions provided.
- **Safety Plunger:**
 - Install the new safety plunger, ensuring it is seated properly.
- **Extractor Plunger:**

- Replace the extractor plunger and ensure it is secure.
- **Extractor Plunger Bearing:**
 - Install the new extractor plunger bearing, ensuring a proper fit.

3. Final Checks:

- After installation, perform a function check to ensure all components are working correctly.
- Store any unused components safely.

Disposal Instructions

- Dispose of any old or damaged components in accordance with local regulations.
- Do not dispose of components in regular household waste; check for recycling options specific to firearm parts.
- Ensure that all disposed items are rendered unusable to prevent misuse.

Contact Information for Further Support

For any inquiries related to safety, installation, or the SLIDE SERVICE KIT, please refer to the manufacturer's website or contact their support team directly.

By following these safety instructions, you can ensure the safe and effective use of the SLIDE SERVICE KIT FOR GLOCK® KE ARMS. Always prioritize safety and responsible firearm handling.
