CZ Scorpion Safety Instruction Guide

Introduction

Thank you for choosing the Apex Low Profile Safety Lever Set for your CZ Scorpion EVO 3 S1. This product is designed to enhance the safety and functionality of your firearm. Please read this instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a clear line of sight when handling your firearm.
- Regularly inspect your firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- Ensure the safety lever is fully engaged before handling the firearm.
- Do not attempt to modify the safety lever beyond the manufacturer's specifications.
- Use the safety lever only as intended; do not force it.
- If you experience any issues with the safety lever, cease use immediately and consult a qualified gunsmith.
- Always follow the manufacturer's instructions for your firearm in conjunction with this safety lever.

Instructions for Installation and Usage

Installation

1. **Tools Required:** You will need a 1.5mm Allen wrench for installation.
2. **Remove the Factory Safety Lever:**
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Use the 1.5mm Allen wrench to remove the screws securing the factory safety lever.
 - Carefully detach the factory safety lever from the firearm.
3. **Install the Apex Low Profile Safety Lever:**
 - Align the new safety lever with the mounting points on the firearm.
 - Secure the safety lever in place using the screws removed earlier.
 - Ensure the safety lever is functioning correctly before using the firearm.
4. **Test the Safety Lever:**
 - Engage and disengage the safety lever several times to ensure it operates smoothly.
 - Verify that the machined indicator line is visible and aligned correctly.

Usage

- Engage the safety lever when the firearm is not in use.
- Disengage the safety lever only when you are prepared to fire.
- Regularly check the functionality of the safety lever during routine maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in household waste.
- Consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the Apex Low Profile Safety Lever Set or safety guidelines, please consult your local dealer or a qualified firearms expert.

Thank you for prioritizing safety and compliance with EU regulations. Your responsible use of this product contributes to a safer environment for all.
