## Stable Cheekweld When Shooting, Maximum Compactness for Carry & Storage

The Law Tactical Gen 3-M Folding Stock Adapter paired with the B5 Systems SOPMOD AR-15 stock is a winning combination that makes your AR more comfortable to shoot and easier to store and carry. Law Tactical's revolutionary Gen 3-M Folding Stock Adapter finally gives the AR-15 platform one feature it always lacked: the ability to fold the stock for the smallest possible profile during storage and carry. The molded polymer SOPMOD stock offers a more comfortable, consistent cheekweld than the original military M4 carbine stock, plus two battery storage compartments and a rubber recoil pad. Gen 3-M Folding Stock Adapter offers easy, single-button operation Adapter's sturdy steel locking latch keeps the stock solidly in place when extended Streamlined SOPMOD stock resists snagging on vegetation or other gear and has a Sure-Grip latch that ensures fast length-of-pull adjustment Stock fits mil-spec (1.14" O.D.) carbine buffer tubes Both the adapter and stock have non-reflective matte black finishes The Law Tactical Gen 3-M Folding Stock Adapter even lets you adjust the hinge tension so you can choose how stiff the mechanism is during folding / unfolding. Matched with the B5 SOPMOD stock, it provides a winning combination for making your rifle more portable AND more comfortable to shoot.

## Attributes

- Name: [BROWNELLS AR-15 ENHANCED SOPMOD STOCK ASSY W/FOLDING STOCK ADAPTER](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 100023477
- Mfr. No.:
- Colour: Black
- Material: Polymer
- Style: Collapsible
- Weapon type: AR-15
- Delivery weight: 0.635kg

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for AR15 Enhanced SOPMOD Stock with Folding Stock Adapter

## Introduction

Thank you for choosing the AR15 Enhanced SOPMOD Stock with Folding Stock Adapter. This safety instruction guide provides essential information for the safe use, installation, and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe operation and handling.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product documentation.
- Always handle firearms and firearm accessories with care, following all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stock and adapter for wear and damage before each use.
- Do not modify the stock or adapter in any way that could compromise safety.
- If you encounter any issues or malfunctions, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- **Folding Mechanism:**
  - Always ensure the stock is fully extended or folded before attempting to use or store the firearm.
  - Adjust the hinge tension according to your preference to prevent accidental folding or unfolding.
- **Cheek Weld:**
  - Ensure a proper cheek weld for comfort and accuracy; the SOPMOD stock is designed for a consistent and comfortable fit.
- **Battery Storage Compartments:**
  - Use only the recommended battery types in the compartments. Do not overload or misuse the storage areas.
- **Recoil Pad:**
  - Ensure the rubber recoil pad is properly attached and in good condition to absorb recoil effectively.
- **Environmental Considerations:**
  - Avoid using the product in extreme weather conditions that may affect its performance, such as heavy rain or snow.
  - Clean and dry the stock and adapter after exposure to moisture to prevent damage.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.

- Gather all necessary tools for installation.

## 2. **Attaching the Stock:**

- Align the stock with the milspec carbine buffer tube (1.14" O.D.).
- Slide the stock onto the buffer tube until it locks into place.
- Ensure the steel locking latch is engaged for secure attachment.

## 3. **Folding Stock Adapter:**

- Attach the folding stock adapter to the buffer tube as per the manufacturer's instructions.
- Make sure the adapter is securely fastened and that the hinge mechanism operates smoothly.

## **Usage**

### 1. **Adjusting Length of Pull:**

- Use the SureGrip latch to adjust the length of pull as needed.
- Ensure the latch is fully engaged after adjustments.

### 2. **Folding and Unfolding:**

- To fold the stock, press the release button and gently fold the stock towards the firearm.
- To unfold, press the release button and pull the stock back to its extended position.

### 3. **Storing the Firearm:**

- When storing, ensure the stock is folded to minimize space and protect the firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and polymer materials.
- Do not dispose of the product in household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please consult the manufacturer or your local dealer. It is important to have access to support for any concerns related to the product's safety and functionality.

This safety instruction guide is designed to help you use your AR15 Enhanced SOPMOD Stock with Folding Stock Adapter safely and effectively. Always prioritize safety and adhere to the guidelines provided to ensure a positive experience with your product.
