## Drop-In Upgrade Kit Takes Your M&P s Trigger from Factory to Fantastic!

The Flat-Faced Forward Set Sear & Trigger Kit from Apex Tactical is a drop-in replacement for your M&P's factory trigger that produces a lower pull weight with less pre-travel and over-travel for a trigger pull similar to a 1911. The trigger face replicates the feel of a flat 1911 trigger, while retaining full function and reliability of S&W's pivoting passive safety lever. This kit contains: Aluminum flat-faced trigger Forward set sear Ultimate Striker Block Kit (striker block, spring & installation tool) Forward set spring pack (3 lb. & 4 lb. trigger return springs, sear spring, RAM spring & plastic slave pin to aid installation) Apex's Forward Set Sear shortens the pull length by releasing the striker at a point farther forward than the factory sear, while the kit's Ultimate Striker Block has an improved radius on the striker block face that helps smooth out the pull AND eliminates the false reset problem that affects some M&Ps. Apex includes two trigger return springs that let you choose between a 3 lb. or 4 lb. pull weight. Both are lighter than the factory pull and will give you better control for more consistent shot placement (3 lb. is not recommended for duty/carry use). The straight, flat trigger face lets you position your finger lower on the trigger for extra leverage that gives you better control to take full advantage of the lower pull weight. The Apex Tactical Flat Faced Forward Set Sear & trigger kit fits all S&W M&P centerfire pistols manufactured after June 2011 with the larger-size (1/8" dia.) sear plunger and spring. DOES NOT FIT the M2.0, Shield, BodyGuard, and .22 LR models (see note below for pre-2011 M&Ps). Installation may require minor gunsmithing: modification of the trigger bar loop. Brownells Gun Tech(tm) Note: The Flat-Faced Forward Set Sear & Trigger Kit can be installed on an M&P manufactured before June 2011 IF it is retro-fitted with the newer sear housing block that accepts the 1/8" spring and plunger - # 940-000-958, sold separately. If you have a pre-June 2011 pistol, the plunger/spring will be 1/16" in diameter.

## Attributes

- Name: [APEX TACTICAL SPECIALTIES INC FLAT FACED FORWARD SET SEAR & TRIGGER KIT, PURPLE](#)
- Manufacturer: [APEX TACTICAL SPECIALTIES INC](#)

# Safety Instruction Guide for S&W M&P FlatFaced Forward Set Sear & Trigger Kit

## Introduction

Thank you for choosing the S&W M&P FlatFaced Forward Set Sear & Trigger Kit by Apex Tactical Specialties Inc. This product is designed to enhance the performance of your M&P pistol while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain your product safely.

## General Safety Guidelines

- **Product Safety:** Always ensure that the product is used according to the manufacturer's instructions. This kit is designed for safe use with S&W M&P pistols manufactured after June 2011.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Verify the authenticity of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Store it in a safe place out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to your local EU consumer protection agency for guidance.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Installation:** Ensure that installation is performed by a qualified gunsmith if you are not experienced. Improper installation may lead to malfunction.
- **Trigger Weight:** The kit includes options for 3 lb. and 4 lb. trigger return springs. The 3 lb. spring is not recommended for duty or carry use.
- **Function Check:** After installation, perform a function check to ensure the trigger operates correctly before using the firearm.
- **Avoid Modifications:** Do not modify the trigger kit or any of its components beyond the manufacturer's specifications.
- **Regular Maintenance:** Regularly inspect your trigger kit for wear and tear. Replace any worn components immediately.
- **Safe Handling:** Always treat your firearm as if it is loaded. Follow standard firearm safety rules at all times.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including the installation tool provided in the kit.

### 2. Installation Steps:

- Remove the factory trigger from your M&P pistol according to the manufacturer's instructions.
- Install the aluminum flatfaced trigger and forward set sear, ensuring all parts fit securely.
- Use the Ultimate Striker Block Kit to replace the striker block, ensuring proper alignment.
- Install the forward set spring pack, selecting either the 3 lb. or 4 lb. trigger return spring as desired.

- Use the plastic slave pin to assist in the installation of the sear spring and RAM spring.

### **3. Function Check:**

- After installation, perform a function check to ensure the trigger operates as intended.
- Verify that the striker releases correctly and that there is no false reset.

### **4. Usage:**

- When using the firearm, maintain a proper grip and finger placement on the flat trigger face for optimal control.
- Practice regularly to become familiar with the new trigger pull weight for consistent shot placement.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management guidelines.
- If you need to dispose of the trigger kit or any of its components, check with your local waste management facility for proper disposal methods, especially for any metal parts.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the S&W M&P FlatFaced Forward Set Sear & Trigger Kit, please refer to your local EU consumer protection agency or the retailer from which you purchased the product.
