[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Apex Tactical Action Enhancement Trigger for Glock® is a direct drop-in replacement of the factory polymer trigger and reduces pre-travel, overall trigger travel, and trigger reset, provides a smooth uptake and reset while delivering a crisp trigger break. Expected Results: Direct drop-in replacement of factory polymer trigger Smooths uptake and reset Reduces trigger pre-travel, overall travel, and reset distance Crisp trigger break Center mounted pivoting safety maintains factory safety values Trigger Only works in nearly all current Glock® model pistols including the G43. The trigger is NOT designed to function in the narrower frame of the model 42. Not for use with a Gen 4 Trigger Bar. Trigger Only Requires use of customer's stock Gen 3 trigger bar (and removal of factory trigger) or installation on separately purchased factory trigger bar (NOTE: removing the factory trigger from the trigger bar requires replacement of the complete assembly to go back to stock). Not for use with Gen 4 trigger bar or Gen 5 Glocks

# **ACTION ENHANCEMENT TRIGGER BODY FOR GLOCK® SAFETY INSTRUCTION GUIDE**

## **Introduction**

Thank you for choosing the Apex Tactical Action Enhancement Trigger for Glock®. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Ensure safe handling and use of the trigger in compliance with all applicable laws and regulations.
- Always treat your firearm as if it is loaded, and follow all standard firearm safety practices.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger and your firearm to ensure they are in proper working condition.
- If you experience any issues with the trigger or your firearm, cease use immediately and consult a qualified gunsmith.

## **Specific Safety Precautions for Use**

- The Apex Tactical Action Enhancement Trigger is designed for use in nearly all current Glock® model pistols, except for the Glock® model 42 and Gen 4 Trigger Bar.
- Do not use this trigger with Gen 4 or Gen 5 Glock® models.
- Ensure the trigger is compatible with your specific Glock® model before installation.
- Always ensure your firearm is unloaded before beginning installation of the trigger.
- Use only the stock Gen 3 trigger bar or a separately purchased factory trigger bar for installation.
- Removing the factory trigger from the trigger bar requires replacing the complete assembly to return to stock. Ensure you understand this process before proceeding.
- Failure to follow these precautions may result in malfunction or unsafe operation of your firearm.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure your Glock® firearm is completely unloaded.
- Gather necessary tools including a punch tool and a clean workspace.

### **2. Removing the Factory Trigger**

- Carefully remove the factory trigger from your Glock® by following the manufacturer's instructions.
- Take care not to damage any components during removal.

### **3. Installing the Apex Tactical Trigger**

- Align the Apex Tactical Action Enhancement Trigger with the trigger bar.
- Install the trigger by following the manufacturer's instructions, ensuring it is securely attached.
- Verify that the trigger is functioning correctly by performing a function check.

### **4. Function Check**

- After installation, perform a function check to ensure that the trigger operates smoothly and safely.

- If any issues are detected, consult a qualified gunsmith before using the firearm.

## 5. Regular Maintenance

- Regularly inspect the trigger and firearm to ensure proper operation and safety.
- Clean and lubricate the trigger as recommended by the manufacturer.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger or any components are damaged, dispose of them properly and in a manner that prevents unauthorized use.

## Contact Information for Further Support

For any questions or concerns regarding the Apex Tactical Action Enhancement Trigger, please refer to the manufacturer's website or contact customer support through the appropriate channels. Always ensure that you are consulting official resources for the most accurate and up-to-date information.

By following these guidelines and instructions, you can help ensure the safe and effective use of your Apex Tactical Action Enhancement Trigger for Glock®. Thank you for your attention to safety, and enjoy your enhanced shooting experience!
