

# AK-47/74 ZHUKOV-U HANDGUARDS - MAGPUL ZHUKOV-U HANDGUARD M-LOK FOR AK47/74 BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Better Ergonomics & Handling for Your Kalashnikov Short-Barreled Rifle or Pistol

The Zhukov-U Hand Guard is a shortened version of Magpul's original Zhukov hand guard for use on short-barreled AK rifles and pistols. Like the original, the Zhukov-U Hand Guard replaces the small, skinny wood factory guard to give you a large, comfortable gripping surface that's compatible with modern shooting techniques. An internal aluminum chassis clamps directly to the barrel for a solid flex-free installation and excellent barrel heat dispersion, while the comfortable injection molded exterior gives superior ergonomics. The Zhukov-U Hand Guard is compatible with the Ultimak gas tube rail for optics. It also allows you to retain use of the military-issue cleaning rod (unlike the original Zhukov). 1.5" shorter than the standard Zhukov hand guard. Fits stamped and milled AK-47 / AK-74 rifles with standard-length gas systems. Optimized for short-barreled rifles such as AK-102, AK-104 & AK-105 M-LOK slots for accessory attachment at the 3, 6, and 9 o'clock positions. Vented gas tube cover. Counts as one US compliance part under 18 U.S.C. section 922(r). Installation requires permanent removal of the factory handguard retaining cap and forward sling mount. The Zhukov-U Hand Guard can be mounted on rifles with full-length barrels, if you prefer a smaller hand guard. Due to the wide range of tolerances typical of AK-pattern rifles, minor additional fitting may be required.

## Attributes

- Name: [MAGPUL ZHUKOV-U HANDGUARD M-LOK FOR AK47/74 BLACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100023567
- Mfr. No.: MAG680-BLK

# Safety Instruction Guide for AK47/74 ZhukovU Handguards

## Introduction

Thank you for choosing the AK47/74 ZhukovU Handguards by Magpul. This product has been designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand the safety precautions and proper installation techniques for your new handguards.

## General Safety Guidelines

To ensure safe usage of the AK47/74 ZhukovU Handguards, please follow these general safety guidelines:

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use the handguards only with compatible firearms (AK47 and AK74).
- Regularly inspect the handguards for signs of wear or damage.
- Store the handguards and firearm in a secure location, away from unauthorized users, particularly children.
- Be aware of your surroundings when using firearms, and ensure a safe shooting environment.

## Specific Safety Precautions for Use

When using the AK47/74 ZhukovU Handguards, please observe the following safety precautions:

- Ensure that the handguards are properly installed before use.
- Do not exceed the manufacturer's recommendations for accessory attachments.
- Avoid using the handguards in extreme temperatures or conditions that may affect performance.
- Do not modify the handguards in any way that could compromise their integrity or safety.
- Keep the area around the firearm clear of obstructions during use.

## Instructions for Installation and Usage

Proper installation and usage of the AK47/74 ZhukovU Handguards are essential for safety and performance. Follow these instructions carefully:

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.

### 2. Removal of Factory Handguard:

- Remove the factory handguard retaining cap and forward sling mount as per the manufacturer's instructions.
- Carefully detach the existing handguard from the firearm.

### 3. Installation of ZhukovU Handguards:

- Align the internal aluminum chassis of the ZhukovU Handguards with the barrel.
- Securely clamp the handguards to the barrel, ensuring a flexfree installation.
- Confirm that the handguards are properly seated and locked in place.

#### **4. Accessory Attachment:**

- Utilize the MLOK slots at the 3, 6, and 9 o'clock positions for attaching accessories.
- Ensure that all attachments are securely fastened and do not obstruct the operation of the firearm.

#### **5. Final Inspection:**

- Conduct a final inspection to ensure that the handguards are firmly attached and that there are no loose parts.
- Test the functionality of the firearm to ensure everything operates correctly.

## **Disposal Instructions**

When disposing of the AK47/74 ZhukovU Handguards, please follow these guidelines:

- Do not dispose of the handguards in regular household waste.
- Check local regulations for the proper disposal of polymer materials.
- If the handguards are damaged beyond repair, consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the AK47/74 ZhukovU Handguards, please refer to the manufacturer's contact information provided on the product packaging or their official website.

## **Conclusion**

By following this safety instruction guide, you can ensure the safe and effective use of your AK47/74 ZhukovU Handguards. Remember to always prioritize safety and compliance with local laws and regulations. Enjoy your shooting experience!
